October 11, 2021

It is with a heavy heart that I inform you that there was an unexpected death of one of our support staff members early this morning. The cause of death is currently under investigation by the PA State Police but it has been confirmed that there are no safety concerns for students, staff, or community members. My deepest sympathy is extended to the family and our staff members.

All students and staff from the Central Mountain Middle School are expected to utilize remote learning today on a two-hour delay schedule. Information for students can be located in Google Classroom. I will keep you posted on the status of learning for Tuesday, October 12, 2021.

Counseling support is available for students and staff. Staff members should contact the CMMS Counseling office at 570-893-4900 extension 2952. Students may also request grief counseling support at this [LINK](#).

More information will be provided as soon as it becomes available.

Respectfully,

Dr. Jacquelyn Martin
Superintendent
