

'Show Us Your Hyner' Photo Contest!

2022 Call for Photos of Hyner View

(Supporting a new Puzzle Series Showcasing Clinton County Landmarks)!

The Clinton County Visitors Bureau's **Show Us Your Hyner Photo Contest** is accepting submissions of photographs of **Hyner View**. The deadline to enter pictures for the contest is midnight on Sunday, July 24, 2022.

How to Enter:

Email your photos to tourismdirector@clintoncountyinfo.com by the deadline. All submissions must include: Photographer's name, address, phone number and email address. There is no cost to submit photos.

Rules & Regulations:

- Photos must be of Hyner View, an iconic Clinton County landmark.
- All photos must be owned by the person submitting them. By submitting, you are giving the Clinton County Visitors Bureau permission to use your photo as their 2022 puzzle and in future marketing efforts.
- All photos must be high-resolution (minimum 300 dpi is recommended for best reproduction image).
- A maximum of four photos per person will be accepted, and the contest is open to everyone.

Entries will be reviewed by a panel of judges, who will consider the superior quality and composition of the photos. One lucky entrant will be chosen to have their photo featured on the inaugural puzzle for the new 'Clinton County Landmarks' Puzzle Series. The winning photographer will have their name and a short bio published on the puzzle box and will receive a complimentary puzzle. The winning photographer must also be willing to either submit a photo of themselves or have their photo taken as part of promoting the photo contest and puzzle series.

We anticipate the puzzle will be available in October of this year. It will be a limited edition, with only 500 copies produced.

Photo contest entries and further questions can be directed to:
Julie Brennan, Tourism Director, at tourismdirector@clintoncountyinfo.com.

To order a puzzle, contact the Visitors Bureau at 570-748-5782 or tourism@clintoncountyinfo.com and provide your name, telephone number and email address, and the number of puzzles requested. The price is \$18 per puzzle (tax included). While advance orders are recommended, no payment is due until the puzzles are available.
