

2026 Northern Tier Camp Cadet Golf Tournament Sponsor Request

WHAT IS CAMP CADET?

The Northern Tier Camp Cadet (NTCC) program seeks to create a better understanding between the youth and law enforcement officials of Potter, Tioga, and Cameron Counties. It is a five-day experience, taking place in June, for boys and girls between the ages of 12 and 13. They are exposed to law enforcement activities, and are provided an opportunity to get to know police officers on a personal basis.

The purpose of the camp is to provide insight into police training and the overall expectations of a police officer. This program is patterned after municipal and state police training. The cadets are challenged by classroom instruction and physical activities. They are also taught self-discipline and how to work as a team player.

Cadets pay only a \$25.00 registration fee. All additional costs are donated by community business, and individual contributions and fundraisers such as our annual golf tournament. Total cost for camp each year is approx. \$25,000. All our staff and presenters are volunteers. NTCC a nonprofit organization and does not pay a salary for any of our staff. Our annual costs include room & board, food, cadet uniforms, basic supplies, and awards for outstanding cadets. NTCC operates with a fiscal sponsorship from the non-profit Tioga County Partnership for Community Health (TCPCH).

DONATION REQUEST

We are asking for basket donations to be raffled off at the Northern Tier Camp Cadet Golf Tournament. These raffle prizes will allow us to raise money to keep this program going strong and be able to provide it for virtually no fee. Allowing NTCC to continue to absorb the costs and be able to provide the housing, uniforms, awards, food, and all basic supplies needed for the week. Keeping this program fee at only \$25 makes it possible for all children to attend and opens the door to all families, especially those that may be less privileged.

There are different ways to be a sponsor. Use the descriptions below to fill out the included form.
