

LONE ROCK RESOURCES NOW HIRING FOR A CDL TRUCK DRIVER

Lone Rock Resources has an opening for a Truck Driver. This position is permanent but Seasonal. The successful candidate will perform in a production setting as a Class A CDL driver. Lone Rock Trucking Department provides various transportation services to many departments within the company. This job requires driving a 4-axle, 4,000-gallon water truck sometimes in combination with tilt deck equipment trailers. There are two primary functions of this position, mobilization of company equipment on two and three axle tilt deck trailers in support of our road construction operations, and hauling water to our surfacing jobs. Work schedules may vary and are reflective of the duties being performed. General work days will be Monday through Friday with occasional weekends. Estimated hours per week will be 50-60. Other miscellaneous duties may be assigned as needed. This job is seasonal and is estimated to be 6 months in length each year during the summer construction season. On an average year, this will be May through November. There is the possibility of extended work outside the construction season during certain years but is not guaranteed.

Please mail or email (akellom@lrtc.com) a cover letter and resume or a Lone Rock application to:
