

# JOURNEYMAN MILLWRIGHT

Immediate openings for a full time Journeyman level Millwright at our sawmill and veneer plant facilities. An Oregon Journeyman Millwright card is strongly preferred, but not mandatory. Solid background in the following areas are necessary; shift maintenance, troubleshooting of mill equipment and

machinery, schematics and blueprint reading,

operation of hydraulic and pneumatic systems,

metal fabrications and welding skills. Pay range

varies from 23.09 to 28.68 + shift differential

depending on qualifications and experience.

Various shifts. Approximately 40-60 hours per

week. Position includes additional benefits:

medical, dental, vision, life, 401(k), vacation,

holiday, and safety incentives. EOE.
