

Timber Products Company

THE TREMENDOUS RESOURCE

ELECTRICIANS AND MILLWRIGHTS \$4,000 SIGNING BONUS

Timber Products has multiple openings in Medford, Grants Pass, and Yreka offering competitive wages and benefit package including health, dental, vision, life insurance, and 401K with matching contribution.

Successful candidates must have a minimum of 2 years journeyman-level work experience preferably in a wood products or manufacturing setting. Oregon location electricians are required to hold a current Oregon general or manufacturing plant electrical license; PLC familiarity a plus. All candidates must be able to work shift work and weekends; have a strong commitment to safety excellence; work well in a team environment.

To apply, please go directly to the link for our Careers page on the Timber Products website; then select "View Open Positions":

<https://www.timberproducts.com/about/careers>

Select the job and follow all steps in the application.

Timber Products is an equal opportunity employer, including protected veterans and people with disabilities, supporting a drug free / tobacco free workplace.
