GRANTING SPECIAL USE PERMIT TO F. E. FAIRFIELD,
UNDER PROVISIONS OF VENTURA COUNTY ORDINANCE CODE

WHEREAS, F. E. Fairfield, in accordance with the provisions of Division 8 of the Ventura County Ordinance Code, did on the 2nd day of December, 1954, file his application in writing with the Ventura County Planning Commission for a Special Use Permit for the production of gas and oil about 10 miles east of the City of Ojai; and,

WHEREAS, proof is made to the satisfaction of this Board, and this Board finds, that notice of the hearing of said application and petition has been regularly given in accordance with the provisions of said Division 3 of the Ventura County Ordinance Code, and said application and petition having come on regularly for hearing before said Commission, and said Commission having announced its findings and made its decision after hearing the evidence presented at said hearing; and,

WHEREAS, the findings and decision of said Commission have been transmitted to this Board for its action thereon; and,

WHEREAS, the Board has considered the application and petition of the applicant and the findings and decision of said Commission thereon;

NOW, THEREFORE, upon motion of Supervisor Appleton, seconded by Supervisor Carty, and duly carried,

IT IS ORDERED AND RESOLVED, that said application and petition be approved and allowed, and that a Special Use Permit be, and it is hereby, issued to said applicant for the following purposes, to-wit:

Drilling for an extraction of oil, gas and other hydrocarbon substances and installing and using buildings, equipment, and other appurtenances accessory thereto, including pipelines, but

specifically excluding processing, refining and packaging, bulk storage or any other use specified in Division 8, Ventura County Ordinance Code, requiring review and Special Use Permit.

SUBJECT, HOWEVER, to the following conditions, to-wit:

1. That the permit be granted for the property as described in the application.
2. That the permittee shall comply with all conditions of the Ventura County Ordinance Code applicable to this permit.
3. That all sumps, or debris basins, or any depressions, ravines, gullies, barrancas or the like, which are used or may be used for the impounding or depositing of water, mud, oil, or any other fluid, semi-fluid, or any combination thereof, shall be fenced; when located more than one-half (1/2) mile from any school, playground or dwelling shall be entirely enclosed by a cattle fence in accordance with specifications adopted by the Planning Commission on January 11, 1954; and when located within one-half (1/2) mile of any school, playground or dwelling shall be entirely enclosed by a wire fence in accordance with specifications adopted by the Planning Commission on December 14, 1953.
4. That all water, mud, oil, or any other fluid, semi-fluid, or any combination thereof, which is removed from the limits of the land for which a Special Use Permit is issued, for the purpose of disposal as waste material, shall only be deposited in an approved disposal site. If such disposal is done by other than the permittee, the permittee shall inform the hauling or disposal contractor or agent of the requirements of this condition.
5. That the use and purpose for which this permit is issued shall conform in all respects to the regulations and requirements of the California State Regional Water Pollution Control Board No. 4 and the United Water Conservation District.
