

NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

To: Rebecca Chandler

Pursuant to provisions of the California Elections Code, the undersigned, registered qualified voters of the Ojai Unified School District, in the County of Ventura, State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of Trustee Area 2 in the Ojai Unified School District, County of Ventura, State of California, and to demand an election of a successor for that office.

The grounds for the proposed recall are as follows:

Rebecca Chandler has failed in her oversight role, allowing the Ojai Unified School District to slip into financial ruin.

Rebecca Chandler has not held the Superintendent accountable for misinformation, deception, and financial mismanagement. She has ignored repeated calls from the public to honestly scrutinize Dr. Morse's performance.

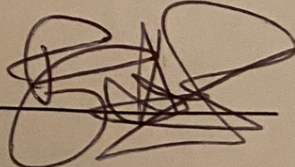

The trust of District teachers, staff, parents, and the larger community have reached historic lows during her tenure.

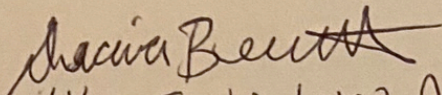

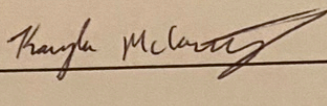

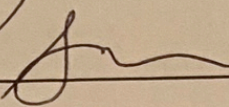

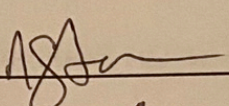

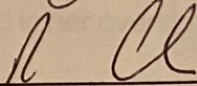

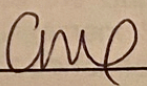

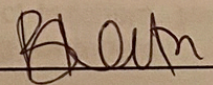

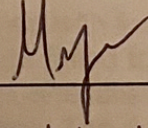

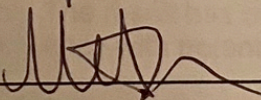

Rebecca Chandler campaigned with fiscal stability as her first priority, and often cites her experience as a CBO, yet she failed to recognize or address numerous warning signs. Despite her claimed expertise, she failed to analyze clearly defective budgets and instead accepted them without question. The result has been two budget downgrades, a FCMAT investigation, and possible insolvency with potential loss of local control.

Throughout her leadership on the Board, Rebecca Chandler has repeatedly prioritized self interest and personal friendship above District interests.

We demand a Trustee who will serve the best interests of the community and preserve local control of the Ojai Unified School District. We demand a Trustee who is willing to hold our Superintendent responsible.
