For the fourth consecutive year, the Inspire Awards will be honoring metro-area women in ten different categories, across multiple industries, and various achievements.

THE INSPIRE AWARDS

The Inspire awards celebrate women in the Omaha metro-area who have truly excelled, not only in their professional lives, but as leaders and role models. While many of these women come from different industries and walks of life, they share several traits — a strong sense of self, a success-driven work ethic and the extraordinary accomplishments to show for it. Their commitment, vision and talents make them true leaders in their chosen fields.

FINALISTS

Finalists will be chosen in ten different categories by an advisory board consisting of local business and organization leaders.

AWARDS

One person will be honored in each category. Announcements of the finalists for each category will be made this fall followed by recognition at the Inspire luncheon on October 29, 2025. One individual will receive top honors and be acknowledged as **Woman of the Year**.
