

SMELL GAS? LEAVE FAST

Then, call **402.554.7777** or **911** free of charge.

When you suspect a gas leak...

- Do not use your land line or cell phone in your home.
- Do not use anything that could produce a spark, ignite the gas and/or cause an explosion.
- Do not assume someone else will report.
- Do let us know if construction or digging activities are going on in the area.
