IRISH HOME RULE BILL APPROVED BY HOUSE OF LORDS

Amendments Made in Commons Accepted—Becomes Law This Week.

TO CREATE SENATES FOR NORTH AND SOUTH

By the Associated Press.
London, Dec. 20.—The Irish home rule bill now is safe and will be placed on the statute book this week in a form only slightly amended from the shape in which it first left the house of commons. The bill, the lords today, after a brief debate, agreed to all the amendments made to the bill by the commons.
Owing to a slight modification made in the house of lords today at the suggestion of Lord Birkenhead, the lord chancellor, the bill again will have to be submitted to the house of commons, as a formality, and it probably will be tomorrow before the royal sanction is given.
One of the principal changes in the bill made by the lords is that sonates will be created for both the northern and southern parliaments. As proposed by the government, the question of the method of establishing the sonates was to be left for the decision of the Irish parliaments.
Another modification secured by the lords is that instead of the commons of Ireland being nominated by the two parliaments, each will appoint seven of its members and each parliament thirteen, making a total of forty, while instead of the president of the commons being the lord chancellor of Ireland as proposed by the government, he will be nominated by the lord lieutenant on the advice of the crown.
The lords also defeated the proposal that the Irish parliaments should have the power to levy a surtax.
It is generally supposed that the government regards the bill as the basis for future negotiations, and with this idea has purposely reserved the questions of customs and excise from the bill.

URGES DE VALERA SEND BIG FUNDS TO IRELAND

Boston, Dec. 20.—A request that he immediately send to Ireland the funds collected in the Irish Liberty bond drive was telegraphed last night to Eamon de Valera as president of the Irish republic by the Massachusetts council of the Friends of Irish Freedom.
The telegram said: "We understand that millions of dollars collected for Ireland during the bond sale are deposited in American banks in your name and remain in your personal control. We believe the suffering people of Ireland are entitled to the use of these funds at once. Therefore, we respectfully urge you to send all available funds to Ireland."

DEMANDS POSSESSION OF DUBLIN CITY HALL

Dublin, Dec. 20.—General Boyd, commander of the Dublin district, has sent notice demanding possession of the city hall and municipal buildings by Wednesday. The Dublin corporation met today and resolved by a vote of 16 to 7, to ignore the demand.
A big raid on a mail train was reported today from Charleville, County Cork. Fifty armed and disguised men held up the crew of the train at the station and removed twelve mail bags, which later were recovered in a hedge nearby. Two of the bags had been emptied.

MRS. M'SWINEY CALLS ON CARDINAL O'CONNELL

Boston, Mass., Dec. 20.—Mrs. Mural MacSwiney, widow of the late lord mayor of Cork, and her sister-in-law, Miss Mary M. MacSwiney, were given an audience today by Cardinal O'Connell at his home. Later they made an informal visit to the Hall of Flags at the state house at the invitation of the members of the legislature.

New York, Dec. 20.—Charles Sumner Burch, bishop of the New York diocese of the Episcopal church, died suddenly here today. Heart disease is thought to have caused his death, which was unexpected, although he had not been well for several days.

Only a Loaf and a Garment For Children's Christmas

Darkest Yuletide Ever Known Faces Most of Vienna People—Food, Fuel and Clothing Desperately Scarce.

Vienna, Dec. 19.—Christmas cheer in Vienna will be distributed only among the children of the American mission, the American relief administration and the American Red Cross. For the majority of the 1,800,000 inhabitants of the city this Christmas is certain to be the darkest ever known.
The strike of hotel, restaurant and cafe employees has spread to the outlying section, closing more shelters, which at least offered warmth for people coming from their cold homes.
A heavy fall of snow, which only served to deepen the gloom of the people of Vienna, is being removed by groups of pale men and women, many of whom fall to the ground from exhaustion, caused mostly by starvation. The Viennese shuffle the streets, resigned and hopeless, in preference to freezing in their homes that are filled with cold and chill resulting from the protracted lack of heating.
The American relief administration will supplement its feeding program by distributing 640,000 garments among 306,000 children. It will provide a Christmas tree in each of its 2,000 feeding centers in Austria. Each child will receive an extra one-pound cake made of American white flour.
The American Red Cross will distribute clothing and condensed milk to 40,000 children under 6 years of age and children of all ages in orphanages and hospitals.
At the Christmas tree celebration arranged by the Hoover mission, to be held in Vienna, December 23, the new president of Austria, Dr. Michael Hainisch, will make his first public appearance.

GERMAN REPARATIONS AGREEMENT IS NEAR

Brussels Conference Brings Specific Statements of Relief Required.

By the Associated Press.
Brussels, Dec. 20.—The demands of the Germans for concessions under the Versailles treaty now are sufficiently definite to make the allied delegates to the second financial conference feel it is necessary to continue the conference until a substantial agreement as to what Germany can pay and what help the allies are willing to give in order to get the reparations has been reached.
The conference probably will adjourn Wednesday until after the new year holiday.
The German demands for relief now are fairly definite. They ask that they be enabled to obtain 3,000,000,000 gold marks for food purposes during the coming year in addition to the allowances under the Spa coal agreement. More than 3,000,000,000 marks additional are needed for raw materials, the Germans declare.
The Germans also asked approval of their request made to the reparations commission last month that no further shipping be surrendered, and that some already in allied hands be returned to Germany.
The Germans want the liquidation of German property abroad to cease and the remaining property, as well as the equivalent of the property already sold, made available to Germany in some form. They ask authority to make favorable commercial treaties.
All the allies are urged to renounce their rights under the treaty of Versailles, which authorizes further re-quisition of German property, and it is asserted by the Germans that its provisions seriously hinder German commerce, even with neutrals.
The Germans received an agreeable surprise during the conference when it developed they did not have to pay as large cash balances on liquidated accounts in the allied countries as they expected.

IMMENSE EARTHQUAKE REPORTED IN PACIFIC

By the Associated Press.
Tokyo, Dec. 20.—A naval wireless message from the island of Yap in the south Pacific ocean today announced that the most violent earthquake shocks occurred in the vicinity of the island, lasting several days.
The earth shocks were followed by a storm Saturday which caused considerable damage.
Experts here regard the shock to have been the same as that reported in Tokyo December 17, and believe there has been a tremendous upheaval of the bed of the Pacific ocean.
