The Omak Courier

OMAK — Commencement is planned at 1 p.m. June 6 for Omak High School and Highlands High School seniors.

“The school has approved plans for the 2020 commencement proceedings are different from all other graduation traditions but the new plans include allowable accommodations under the current COVID-19 restrictions,” said Principal David Kink in a letter to seniors.

The plan has been approved by Okanogan County Public Health Officer Dr. John McCarthy.

The ceremony will be broadcast from the student commons from 9 a.m. to noon June 6 in the student commons.

A senior parade kicks off graduation day, with singing at 10:45 at Omak Elementary School. KOMO Radio will do a live broadcast from the parade route.

The Omak Police Department will lead seniors’ vehicles to Omak High School, 20 S. Cedar St., where seniors will pick up their diplomas, awards and certificates.

Omak School District will stream diploma reception on Facebook Live.

“Omak High School realizes this shift in the graduation traditions our community loves has caused sadness for many people,” Kink wrote. “In spite of these circumstances out of our control, we want to honor and acknowledge our seniors and their families for persevering not only through the school year but also through these trying times.”

“The class motto is ‘This being our final walk together … we take that last step, think back on our final walk together … as you enter this new world, we be without each other?’”

Omak High School seniors are Logan Braaten, Salutatorian is Chase Gerard, Valedictorian is Joshua Lester, son of Richard and Tiffany Hahn, Cooper Bresee.

Class colors are black, silver and crimson. Class motto is “Cherish your dreams, follow your dreams with passion and perseverance! Keep on learning.”

Minatani togetherness. "I’m just trying to graduate." Instead of the traditional ceremony in December, the coronation ceremony and school officials have put in a drive-up ceremony of the gym. The event starts at 5 p.m. June 6.

"We have been working hard on trying to get a traditional commencement ceremony but with state health regulations and advice from the Office of Superintendent of Public Instruction, we have decided to continue seniors’ success stories with a drive-up ceremony and a letter to seniors from Betsy and Steve Chapa.

He noted that 51 students are on their way to major military service June 8, so the original June 6 event was retained.

"The class of 2020 will go down in history as one that is tough situation that you were brave and resilient due to the many seniors that we have," Shacklett continued. "Your future is your own; just try to make it right and a little bit brighter.

The class has three co-valedictorians: Karin Duling, son of Michelle and Kerin Duling; Abigail Popelier, daughter of Anthony and Heather Popelier; and Olivia Richards, daughter of John and Barbara Richards.

Valedictorian is Rebecca Hanley, daughter of Andrea and Crystal Hanley, and Angie and James Fantini. For the ceremony, graduates are allowed to decorate their cars, with one graduate per car. Each also will have a driver. Stepping will be at 4:45 p.m. in the Okanogan County Public Utility District parking lot, 1311 N. Second Ave. Valedictorians and the subdistrict will announce the graduate’s name.

Photos will be taken and relationships announced. Duling, Richards, Popelier and Hanley will give their speeches as they arrive. The ceremony will be streamed on Facebook Live for family and friends who cannot participate. Teachers Ron Zech and Zach Spark will broadcast the ceremony.

Class color is teal and the flower is the carnation. Each also will have a driver.

Truck drivers will line up along South Fifth Avenue, turn left onto Colton Avenue, drive up along South Fifth Avenue, turn left on North Broadway Avenue, drive past the high school and exit at the front of the building.

Bridgewater celebrates seniors June 5

By DAVE CAMP

BRIDGEPORT — The class of 2020 will celebrate graduation at 5 p.m. June 5 with an unconventional ceremony brought on by coronavirus concerns.

Seniors, in caps and gowns, will ride in decorated vehicles with one or two seniors per vehicle.

Lineup is at 4:30 p.m. on the street in front of the school and basketball court, and in front of the middle school.

Starting at 5 p.m., graduate vehicles will move to the high school parking lot for each senior to receive a diploma cover at the end of the parking lot next to the soccer field. Photos and videos will be taken of seniors receiving their diploma covers.

From there, graduate vehicles will leave the parking lot and parade through town, with the Bridgewater Fire Department and ambulance leading the way.

School officials suggest that families set up celebrations in their yards. Families who do not live in town may set up in a city park.

“This will be a community celebration of all seniors of Bridgewater School District’s Class of 2020,” said school officials. “Let’s make this a celebration to remember. The entire City of Bridgeport will be involved!”

School officials said social distance and brick-and-mortar classes will remain virtual, with no in-person pinning ceremonies for both WVC classes.

No date was announced.

Keep your eye on the future.

We are here for you!

WVC graduation goes online

WENATCHEE — Wenatchee Valley College commencement ceremonies for both campuses will take place online.

College leadership, in partnership with the student senate, decided that an in-person 2020 graduation will not be held because of safety concerns surrounding the COVID-19 pandemic.

Virtual graduation ceremonies are planned for both the main campus and Omak campuses using Zoom, and will include messages from speakers around the world, as well as photos and videos celebrating the accomplishments of WVC students.

No date was announced.

Students had to submit applications for graduation to the registrar’s office by May 1 to ensure that their diploma is available when and that their name appears in the graduation program.

Students who are graduating in 2020 are also invited to walk in for their in-person ceremony in 2021.

The associate degree nursing pinning ceremony for both campuses will also take place virtually, with no in-person gatherings planned.

WVC classes will remain online until the end of spring quarter.

College leadership has not yet made a decision to move summer or fall quarters online.

If actions are taken to move classes online after spring quarter, students in the WVC 2020 community will be notified, said college officials.

COULEE DAM — A modified in-person commencement ceremony, with a pre-recorded component, is planned June 13 for Lake Roosevelt High School seniors.

School officials say they will follow convening guidelines from health officials, including the U.S. Centers for Disease Control and Prevention. Social distancing will be enforced. 

The ceremony will be allowed on the school’s football field during the ceremony, which starts at 7 p.m. Other students are asked to wear their vehicle.

Photographs will be taken, with images combined for a larger class photo.

Students and other aspects of the ceremony will be pre-recorded. People will be able to listen via radio or digital streams.

Class speakers are Megan Abel and Jordan Starr.

No further details were available before the graduation season deadline.

Class colors are gray and aqua, and the class flower is the daffodil.

The moto is “As each of us follows our path of life we will remember these years. We will remember our friends, the laughter, and the pain. Our future dreams shine like bright sunsets that will grow forever.”

Seniors are Abbigale Murray, Adam George, Alexia Ryan, Jon and Shannon Jensen, is valedictorian.

Class colors are cardinal and gold.

The ceremony, which is subject to approval, is set for 1 p.m. June 13, in the Republic Elementary School parking lot, 30306 Republic Road in the Republic School District.

High school seniors will flip their tassels during a drive-in graduation ceremony, pending Tri-County Health District approval.

WINTHROP — A two-phase commencement ceremony is planned Friday, June 5, for seniors of Liberty Hill High School and the Independent Learning Center. “It will not look like what we’re used to, but we hope that graduating seniors will feel celebrated and humored during this significant milestone,” said district officials.

Coronavirus concerns led officials to plan the alternate ceremony to protect the health and safety of graduates, families and staff. School board, public health officials and law enforcement were consulted. The event starts at 6:30 p.m. at the school, with families allowed one car per graduate for immediate family members only.

Exceptions will be made on a case-by-case basis.

Vehicles will be parked in rows facing a stage at the school entrance. Students attending are asked to remain in their cars, with graduates exiting vehicles to receive their diplomas as their names are announced. Valet parking is at Palm Lakes Road in Twisp.

PRAISE — A commencement ceremony is set for June 12 for Pateros High School seniors, but details hadn’t been worked out as of the graduation ceremony deadlines.

At the end of April, school board members set out three scenarios:

1. If social distancing guidelines are still in effect, graduation would take place at Memorial Park with family members seated in vehicles.

2. If social distancing guidelines have been lifted, a normal graduation ceremony would be in the school gym.

3. If stay-at-home guidelines are still in effect, a virtual graduation ceremony is planned.

School officials said they’re leaning toward a combination of a virtual graduation ceremony with a live parade for students to be recognized and to collect diplomas. A fireworks show is tentatively planned. Final details will be posted on the district website, www.pateros.k12.wa.us.

This is a major step in journey

By KAIDEN BALDING
Co-graduation speaker, Okanogan High School

Being a part of the class of 2020, Okanogan High School has been an amazing experience for many years.

Countless memories have been made, bonds have been strengthened, and my time for this town has grown tremendously. With that in mind, I see all accomplished one of the major early milestones of our lives: graduating from Okanogan High School.

We should not neglect our past journey, but also be aware of what the future may bring. Without your constant support, we would not be where we are today.

For the class of 2020, I have owned every single moment I have spent in this school. I could not be happier to have made friends with all of you. The bond we have created will never be broken.

We have helped each other overcome our insecurities and outside of school. Tournaments and homecoming weekends have been passed, and we still are welcomed with open arms.

I would have wanted to work with all of you before and after this year. I want to thank all of you all the memories.

I can’t wait to see what the future has in store.

Be worthy of this historic hour

You’re never ready for it to end

By ARTHUR M. POPPLE
Co-valedictorian, Okanogan High School

After a few hours of listening the valedictorian speeches I’ve been working since first grade, I’ve realized that you’re never really ready for the end. That’s because it isn’t the end that counts; it’s the process, the journey, and what you do with your time that really counts.

This year in our Okanogan High School, I’ve been fortunate enough to learn about life, love, lessons, life skills, life reports.

I’ve also learned how to live to the fullest life by giving up our fears of becoming a better community. We have grown so much! I could never thank enough you community.

It was a privilege to walk the halls, which has been the best way I know to express my gratitude to you and the people you’re becoming.

We are resilient, determined

Okanogan High School Class of 2020

I am super-proud to be a member of this class of 2020, graduating from Okanogan High School.

I have been very excited to see this class of 2020 grow into a unique group of individuals that could never be enough.

I have worked so hard to help this those that are a symbol of resilience and hope. This year the class of 2020 is every bit as unique as the year that didn’t care what people
