

PUBLIC NOTICE

According to the provisions of the Federal Clean Water Act and Title 40 of the Code of Federal Regulations Part 403, the Tennessee Water Quality Control Act and Tennessee Rules and Regulations 0400-40-14 and the Livingston Municipal Code, Hutchinson FTS, Inc., Plant 2, was found to be in significant non-compliance of the Industrial Wastewater Discharge Permit issued by the Town of Livingston for the time period April, 2019 through September, 2019. No environmental or financial damage occurred.

For additional information contact the Town of Livingston Industrial Pretreatment Coordinator during business hours.
