

WE'RE HIRING ELECTRICAL ENGINEER

**Carthage, TN
Full-Time**

Upper Cumberland Electric Membership Corporation (UCE-MC) is looking for an **Electrical Engineer** to join our Engineering Services team at our corporate office in Carthage, TN. The Electrical Engineer will support the planning, design, analysis, and operation of UCEMC's electric distribution system. This position assists with GIS and system mapping, engineering studies, load analysis, SCADA and outage management systems, and supports linedesign and construction planning. The role includes both office and field work, as well as participation in power restoration efforts when needed.

A Bachelor of Science in Electrical Engineering is required, and at least two years of electrical engineering experience is preferred. Experience working within an electric cooperative is strongly preferred.

If you are dedicated, forward-thinking, service minded, and want to be a part of a team that powers our community, we encourage you to apply.

Apply today at <https://ucemc.bamboohr.com/careers/28>

Applications will be accepted through January 2, 2026 at 4:30 PM CST. For more details, contact UCEMC's Human Resources Department at 1-800-261-2940, opt 3, opt 5, ext.123.

UCEMC is an EEO employer and an affirmative action employer. UCEMC is committed to guaranteeing to its employees and all applicants for employment equal employment opportunities regardless of race, gender, age, religion, national origin, genetic information, disability or veteran status, or any other protected status, except where such status is a bona fide occupational qualification.
