

LEGAL NOTICE

Ordinance #6, 2023 establishes the basis to annually review and adjust Electric Utility Rates as calculated according to the formula used by the Indiana Utility Regulatory Commission and stipulated in the Rate, as follows:

1. The review and adjustment shall be performed annually; and
2. It shall be the responsibility of the Peru Utility Board to perform the review and adjustment calculations as required in this Section;; and
3. The adjusted rates and charges shall be submitted to the Peru Common Council for approval; and
4. Rate increase implemented under this Section 2 shall not exceed 1.5% per year.

THEREFORE, the charges as adjusted on Exhibit "A" shall be in effect as of billings generated on or after June 1st, 2026
