

ORDINANCE 2026-2

**AN ORDINANCE AMENDING THE SCHEDULE OF BUILDING PERMIT FEES
IN SECTION 151.19 OF CHAPTER 151: BUILDING REGULATIONS;**

CONSTRUCTION TO THE CODE OF ORDINANCES OF THE TOWN OF MARKLE, INDIANA

WHEREAS, the Town Council ("Council") of the Town of Markle, Indiana ("Town") has enacted and established the "Building Code of the Town of Markle, Indiana" as Chapter 151 within its Code of Ordinances which provide minimum standards for the protection of life, health, environment, public safety and general welfare, and for the conservation of energy in the design and construction of buildings and structures; and

WHEREAS, the Town has designated the Huntington County Department of Community Development ("DCD") to administer and enforce building regulations contained within the Building Code of the Town of Markle, Indiana; and

WHEREAS, the Town has authorized the DCD to issue building permits, collect permit fees, perform inspections, order correction of violations and authorize occupancy of buildings and structures situated within the corporate limits of the Town, and

WHEREAS, Town Code Section 151.19 specifies a schedule of building permit fees which are to be collected by the DCD as payment for the services it provides to the Town;

WHEREAS, having evaluated available data in regard to these matters and received recommendations from the DCD, Council now finds that the existing building permit fees charged for issuance of permits by the DCD for projects located within the corporate limits of the Town no longer adequately defrays the costs of the DCD in providing such services; and

WHEREAS, notice of a public hearing was published in The Plain Dealer and notice of the same was posted at the Town Hall to inform the public of the proposed Fee Schedule in accordance with LC. §5-3-1; and

WHEREAS, copies of the proposed Fee Schedule have been available for inspection and copying at the Town Hall as well as the DCD office;

WHEREAS, Council conducted a public hearing to receive public input on the proposed fee schedule; and

WHEREAS, in a meeting duly assembled, Council, after review and consideration of information deemed by it to be sufficient has determined the necessity of amending Section 151.19 of the Town Code.

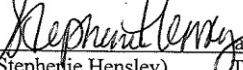

NOW, THEREFORE, BE IT ORDAINED by Council that Section 151.19 of Chapter 151: Building Regulations; Construction of the Code of Ordinances of the Town of Markle, Indiana is hereby repealed and replaced in its entirety with the following:
