

## A place to help grow your money for a rainy day

CDs may seem uninteresting, but that's their superpower. As an investment vehicle, they offer competitive rates while generally being predictable and dependable. Call us to learn more about our boring CDs with not-so-boring rates.

**Please contact us if you have \$1,000 or more to invest.**

**Bank-issued, FDIC-insured  
3-months APY\***

**3.75%**

\*Annual Percentage Yield (APY) effective 02/04/26. APY interest cannot remain on deposit; periodic payment of interest is required. Certificates of Deposit (CDs) offered by Edward Jones are bank issued and FDIC insured up to \$250,000 (principal and interest accrued but not yet paid) per depositor, per insured depository institution, for each account ownership category. Edward Jones is not a bank or FDIC insured institution and deposit insurance only covers the failure of an insured bank. FDIC insurance for brokered-CDs offered by Edward Jones is provided by the FDIC insured banks that issue the CDs on a "pass-through" basis, which requires certain conditions to be met for coverage to apply. The list of those banks frequently changes. For a list of banks in our network offering brokered-CDs, visit [edwardjones.com/brokered-cd-banks](http://edwardjones.com/brokered-cd-banks). Please visit [www.fdic.gov](http://www.fdic.gov) or contact your financial advisor for additional information. Subject to availability and price change. CD values are subject to interest rate risk such that when interest rates rise, the prices of CDs can decrease. If CDs are sold prior to maturity, the investor can lose principal value. FDIC insurance does not cover losses in market value. Early withdrawal may not be permitted. Yields quoted are net of all commissions. CDs require the distribution of interest and do not allow interest to compound. CDs offered through Edward Jones are issued by banks and thrifts nationwide. All CDs sold by Edward Jones are registered with the Depository Trust Corp (DTC).
