**Solid waste
management
in Polk County:**

What happens to our trash?

Thursday Oct. 16, 6–8 pm

Rickreall Event Hall

305 Nesmith Road, Rickreall

Friends of Polk County is hosting a panel discussion regarding the proposed regional solid waste transfer facility in Rickreall.

Presentations will be followed by a question-and-answer session. Join us to learn about short-term and long-term plans for solid waste management in Polk County.

Our guest panelists:

Mark Yeager Registered Civil and Environmental Engineer and member of Valley Neighbors for Environmental Quality and Safety

Austin McGuigan Polk County Planning Director

Nic Dahl Applicant for ReHub Polk County, Proposed Transfer Station at the former Rickreall Dairy
