**********ADD SUSPECT / CHANGE CASE STATUS**********

Detective: Williams

Incident: Sexual Assault / Theft of Motor Vehicle

Incident Location [redacted] Wando

Incident Date: 10 JUN 2018

RECEIVED AUG 0 1 2019

Victim [redacted]

On 25 JUL 2019 I was assigned this case. I was given paperwork from SLED showing that on 10 JUL 2019 the DNA obtained from the victim's SANE exam vaginal swab was a high stringency match to DNA profile contained within the South Carolina State DNA Database belonging to Maurice Jerome Prioleau. Prioleau was identified as being currently incarcerated at the Charleston County Detention Center.

I then obtained a search warrant for a DNA sample of Prioleau which was signed by the Honorable Judge Jenkins (Charleston County). Detective Turner and I proceeded to the Detention Center where Detective Turner executed the search warrant. Upon completion of the search warrant Prioleau was asked if he would be willing to speak to us about the incident. Prioleau agreed and an audio recorded interview was conducted. Prioleau was advised of his Miranda Rights which he verbally stated he understood and waived. Prioleau was unable to sign the Miranda form as he was currently under the custody of the Special Operations Group and was handcuffed to the rear at their direction. Post Miranda Prioleau stated he remembered the white woman picking him up from the "10 Mile" area of North Charleston and taking him back to her house near Mount Pleasant to do drugs. Prioleau stated that the house was off of a dirt road. Prioleau stated that while there he had consensual sex with the female and that she then gave him a TV to a person for more drugs. Prioleau stated that he took her car and the TV, however, never returned to the scene and never produced more drugs. Prioleau described the car as a tan or white older car with a manual transmission. Prioleau advised that he traded the car for more drugs in North Charleston and was unaware of what happened to it after that time. Prioleau advised that when he left from the victim's residence she was up and getting ready for work. (see audio recording for further details)

Based on Prioleau's statements regarding the victim being white, where the victim picked him up from, the dirt road leading to her residence, and his taking the TV and car, along with the vehicle description, it was apparent that Prioleau was referring to this victim.

On 30 JUL 2019 I made contact with the victim via telephone and she advised she was still seeking prosecution in the case. The following warrants were obtained against Maurice Prioleau which were signed by the Honorable Judge Baggett:

2019A0810301380, reference Criminal Sexual Conduct - First Degree

2019A0810301381, reference Grand Larceny, Value more than $2,000 but less than $10,000
