Dear Dr. Adamson:

This letter replaces my letter of January 14, 2025, providing the action taken by the SACSCOC Board at its meeting on December 8, 2025.

The Executive Council, acting on behalf of the SACSCOC Board of Trustees, reviewed the institution's Second Monitoring Report, removed the institution from Warning, and reaffirmed accreditation. No additional report was requested. Your institution's next reaffirmation will occur in 2032 unless otherwise notified.

Also, please submit to your SACSCOC staff member, preferably by email, a **one-page** executive summary of your institution's Quality Enhancement Plan. The summary is due **February 15, 2025**, and should include on the same page the following information: (1) the title of your Quality Enhancement Plan, (2) your institution's name, and (3) the name, title, and email address of an individual who can be contacted regarding its development or implementation. This summary will be posted to SACSCOC's website as a resource for other institutions undergoing the reaffirmation process.

All institutions are requested to submit an 'Impact Report of the Quality Enhancement Plan' as part of their 'Fifth-Year Interim Report' due five years before their next reaffirmation review. Institutions will be notified 11 months in advance by the President of SACSCOC regarding its specific due date. Directions for completion of the report will be included with the notification.

Sincerely,

Belle S. Wheelan, Ph.D.
President
