NARRATIVE

(Johns Island) On August 25, 2022, at approximately 1700 hours, I responded to [REDACTED] in reference to the complainant, James Teeple, wanted to document a physical altercation his son, [REDACTED] had on his bus. When I arrived on scene, I met with James and [REDACTED] at the intersection of Back Pen Road and Jimmy Mitchell Lane.

James informed me that his son, [REDACTED] got into a physical altercation with another boy and when he learned about it, he followed the bus until he observed the boy get off at a residence that he believed where the child lives. He advised he wished to make contact with the other child's guardian, but have law enforcement there when he does. He advised he just wanted to have the incident documented in case it happens again.

When I spoke to [REDACTED], he informed me that his friend [REDACTED] and he was sitting on the bus and was trying to "save a seat" for their friend [REDACTED]. [REDACTED] said that another kid named " [REDACTED]" sat in the seat he was saving. He advised that he told [REDACTED] that he was saving the seat and asked him to get up to which [REDACTED] said "No." [REDACTED] advised [REDACTED] then slapped [REDACTED] and then sat on his head then hand. He advised that he was then elbow in the mouth by [REDACTED]. When I asked [REDACTED] what the school bus driver did, he advised that the bus driver told all of them to move to the front of the bus. He advised the bus route was [REDACTED]. I did not observe any manifestation of injuries on Isaac.

After I retrieved [REDACTED] verbal statement, we then attempted to make contact with the residents of [REDACTED]. There was negative contact, after several attempts at knocking at the front and side door. James again informed me that he "didn't want to pursue it any further." Neither James or [REDACTED] knew [REDACTED]'s last name.

I informed James that I would document the incident and pass the information along to the School Resource Officer of Angel Oak Elementary School. My issued Body Worn Camera was activated while on scene.

NARRATIVE

On August 29th, 2022, Principal Condon, Deputy Vecchione, and I reviewed the video footage from Charleston County School District Bus # [REDACTED] in reference to the incident reported on Thursday, August 25th, 2022.

During the course of the investigation Deputies were advised the incident occurred on the bus while in transit to their respective bus stops. Deputies were advised [REDACTED], Subject #3, [REDACTED] and [REDACTED] were sitting on the same seat and both [REDACTED] and [REDACTED] did not want [REDACTED] sitting on the seat. Deputies were advised that both [REDACTED] and [REDACTED] were sitting closest to the window with [REDACTED] sitting on the aisle. Deputies were advised that both [REDACTED] and [REDACTED] began trying to slowly push [REDACTED] off the seat by sliding themselves towards the aisle, which instigated the incident.

Principal Condon, Deputy Vecchione, and I did not observe any evidence of the physical altercation that occurred between [REDACTED] Subject #1, and [REDACTED] Subject #2, on the video footage from CCSD Bus [REDACTED].

Principal Condon, Deputy Vecchione, and I did observe on the video footage, at time stamp 1637, James Teeple, the Complainant, approached the bus and inquired if [REDACTED] was on the bus, which the bus driver admitted he was. James Teeple was observed on the video footage stating, "Let [REDACTED] know I am going to kick his dad's ass." After which he left the bus and went back to his vehicle and began following CCSD bus [REDACTED] to [REDACTED] where the Bus Driver, and Bus Monitor commented on video footage they recognized a parent was following CCSD Bus [REDACTED].

The Bus Driver and Bus Monitor were observed on the video stating they recognized the vehicle and driver that had been following them as a parent from a previous stop and observed, James Teeple, following [REDACTED] and his brother to their residence located at [REDACTED]. The Bus Driver and Bus Monitor then contacted their bus dispatch and reported the incident at time stamp 1657 on the video footage.

I contacted James Teeple and advised him that Principal Condon, Deputy Vecchione and I had reviewed the video footage. I advised James Teeple that School Administration and the Charleston County School District were conducting their own independent investigation separate from the Charleston County Sheriff's Office and advised him that in accordance with the Family Educational Rights and Privacy Act, FERPA, I could not divulge information collected during their investigation to him.

I then gave James Teeple a friendly reminder concerning South Carolina Code of Laws Section 59-67-245 which states the following: No person shall willfully and wrongfully interfere with the operation of a school bus, either public or private, by boarding, restricting movement or using threats, either physical or verbal, to the driver or any passenger while the bus is engaged in the transportation of pupils to and from school or any lawful school activity or while passengers are entering or leaving the bus nor shall any person willfully fail or refuse to obey a lawful order of a school bus driver relating to the occupancy of a school bus. The use of threatening, obscene or profane language addressed to the driver or any passenger entering, leaving or waiting for a school bus is disorderly conduct and any person convicted for the use of such language shall be punished as provided in Section 16-17-530. Nothing contained herein shall be interpreted to infringe upon the power and duties of duly constituted authorities.

James Teeple advised he did not step on the bus and wanted to speak with me concerning the investigation being conducted by School Administration and the CCSD, which I advised him was outside my purview and violated FERPA. James Teeple stated he would include the Charleston County Sheriff's Office in his lawsuit which encompasses the bus company, Angel Oak Elementary, Charleston County School District, etc.

I was able to make contact with [REDACTED]'s Mother concerning the incident and advised her of our findings concerning the video footage. Nothing Further.
