

Dear Mom,
 I love you, what
 I'm sorry for had to do
 I did, but I

It. This hate isn't meant
 to be sentimental and
 make you cry. I just
 want you to know that
 I love you.

I know that what I
 did will have repercussions
 on my whole family, and
 for this I truly am
 sorry.

At this moment I miss
 you very much, and as
 childish as it sounds
 I wish I was in your
 arms. I love you

Dylan
