How Do I Update or Reset My Digital Access Account Password?

*If you are logged in to your Digital Access account and remember your current password, you can update your password through the My Account page under the Profile/Password tab.

*If you do not remember your current password you must log out of your account in order to send yourself a reset password email. To log out, click the Logout button in My Account dashboard.

1. To update your current password, select the “Profile/Password” tab and click the “Change password” link.
If you are not currently logged in to your Digital Access account and you do not remember your password, you can reset it by selecting the “I forgot my password” link on the Login screen.

1. Visit postandcourier.com and click the “LOGIN” button in the right side of the navigation bar.

2. Enter your email address that is associated with your Digital Access account and click the “Next” button.
3. Click the “I forgot my password” link on the 2nd Login screen.
4. On the next screen select the “Restore” button. This will trigger an email to be sent from The Post and Courier that includes a link you will need to click on to complete your password reset.
