The Honorable Jeffrey A. Bradley, Chairman
South Carolina House of Representatives
Committee for Regulations & Administrative Procedures
202 Blatt Building
Columbia, SC 29201

Dear Mr. Chairman:

The South Carolina Aeronautics Commission hereby requests that Document No. 5134, Regulations 4-1 through 4-16 be withdrawn. The Commission believes that there is value in obtaining a consensus from those entities who have come to the Committee most recently with questions and who have not previously availed themselves of a dialogue with the Commission to address their interests and concerns. It is our intent to engage with stakeholders over the summer and resubmit these regulations in the fall.

In the meantime, the Commission will continue to exercise its statutory authority over matters addressed in the regulations.

Please do not hesitate to contact me if additional information is needed.

Sincerely,

SOUTH CAROLINA AERONAUTICS COMMISSION

Gary Siegfried, PE
Executive Director
