STATE GRAND JURY OF SOUTH CAROLINA

SOUTH CAROLINA

v.

PLEA AGREEMENT

KEVIN MARSH

General Provisions

This PLEA AGREEMENT is made this 24th day of November, 2020, between the United States of America, as represented by United States Attorney Peter McCoy and Assistant United States Attorneys Jim May, Brook Andrews, Winston Holliday, and Emily Limehouse; the State of South Carolina, as represented by Attorney General Alan Wilson, Deputy Attorney General Donald J. Zelenka, Senior Assistant Deputy Attorney General S. Creighton Waters, and Assistant Attorney General David Fernandez; and the Defendant, **KEVIN MARSH**, and the Defendant's attorneys, Brady Hair, Anne Tompkins, and Robert Bolchoz.

IN CONSIDERATION of the mutual promises made herein, the parties agree as follows:

1. In United States District Court, the Defendant agrees to waive Indictment and arraignment, and plead guilty to an Information charging conspiracy to commit mail and wire fraud in violation of Title 18, United States Code, Section 371.

In order to sustain its burden of proof, the United States is required to prove the following:

Count 1 (Conspiracy)

- A. the Defendant agreed with one or more persons;
- B. to commit mail and wire fraud;
- C. the Defendant did so knowingly; and
- D. an overt act in furtherance of the conspiracy was committed in the District of South Carolina.

The penalty for this offense is:

up to 5 years in prison, a fine of up to \$250,000, supervised release of up to 3 years, and a special assessment of \$100.

2. In South Carolina State General Sessions Court, the Defendant agrees to plead guilty to Obtaining Property by False Pretenses, in violation of S.C. Code § 16-13-240(1).

In order to sustain its burden of proof, the State of South Carolina is required to prove the following:

Count 1 (Obtaining Property by False Pretenses)

- A. the Defendant by false pretense or representation;
- B. obtained the signature of a person to a written instrument or obtains from another person any chattel, money, valuable security, or other property, real or personal;
- C. with intent to cheat and defraud a person of that property.

The penalty for this offense is:

up to 10 years in prison and a fine of up to \$500.

- 3. The Defendant understands and agrees that monetary penalties [i.e., special assessments, restitution, fines and other payments required under the sentence] imposed by the United States District Court are due immediately and subject to enforcement by the United States as civil judgments, pursuant to 18 U.S.C. § 3613. The Defendant also understands that payments made in accordance with installment schedules set by the Court are minimum payments only and do not preclude the United States from seeking to enforce the judgment against other assets of the Defendant at any time, as provided in 18 U.S.C. §§ 3612, 3613, and 3664(m).

The Defendant further agrees to enter into the Bureau of Prisons Inmate Financial Repayment Program if sentenced to a term of incarceration with an unsatisfied monetary penalty.

The Defendant further understands that any monetary penalty imposed is not dischargeable in bankruptcy.

Similarly, the Defendant understands and agrees that monetary penalties [i.e., special assessments, restitution, fines and other payments required under the sentence] imposed by the South Carolina General Sessions Court are due immediately and subject to enforcement as set forth under South Carolina law.

A. Special Assessment: Pursuant to 18 U.S.C. § 3013, the Defendant must pay a special assessment of \$100.00 for each felony count for which he is convicted. This special assessment must be paid at or before the time of the guilty plea hearing, or during participation in the Bureau of Prisons Inmate Financial Repayment Program if this plea results in incarceration.

B. Forfeiture and State Restitution: The Defendant, the United States, and the State of South Carolina agree that the Defendant is to forfeit and pay restitution for the proceeds of his criminal conduct as an executive officer at SCANA/SCE&G. The parties agree that: (1) this amount will be determined at the federal and state sentencings, respectively, subject to the terms of this paragraph; and (2) the amount of forfeiture does not represent the actual or intended loss amount of the conspiracy. The parties agree that the appropriate

amount of federal criminal forfeiture and/or state criminal restitution is \$5,000,000. The parties further agree that the Defendant will pay \$3,000,000 of this amount as determined at or before sentencing, and will pay the remaining balance in conformance with the conditions of supervised release, as directed by the United States Probation Office.

C. Restitution Under the Federal Mandatory Victim Restitution Act ("MVRA"), 18 U.S.C. § 3663A:

- i. Customers: The parties agree that any restitution amount as related to customers should be offset by approximately \$4,000,000,000 dollars of ratepayer remedial value paid by Dominion Energy, Inc. ("Dominion") and agreed to pursuant to the Executed Cooperation Agreement of December 27, 2018, attached as Exhibit A. The offset by Dominion does not affect the actual or intended loss amount attributable to the conspiracy.
- ii. Shareholders: The parties agree pursuant to 18 U.S.C. § 3663A(c)(3)(A) and (B) that, due to the large number of identifiable investors and the complex issues of fact related to the amount of investors' losses that would complicate or prolong the sentencing process — including: timing when

shares were purchased and sold, the SEC civil enforcement action, the shareholders' state and federal law suit(s), the dividends paid to the shareholders during the time of the conspiracy, and the premium paid to the shareholders upon Dominion's acquisition of SCANA - the need to provide restitution to victims is outweighed by the burden on the sentencing process and the Mandatory Restitution Act should not apply as related to shareholders' losses. The parties agree that any loss as to relevant conduct may be applied in the determining of the conspiracy's loss amount.

All agreements related to restitution are not binding upon the Court.

- D. Fines: The Defendant understands that the United States District Court may impose a fine pursuant to 18 U.S.C. §§ 3571 and 3572, and the South Carolina General Sessions Court may impose a fine under the respective statute as set forth above.
4. The Defendant understands that the obligations of the United States and State of South Carolina within this Agreement are expressly contingent upon the Defendant's abiding by federal and state laws and complying with any bond executed in this case. In the event that the Defendant fails to comply with

any of the provisions of this Agreement, either express or implied, the United States and the State of South Carolina will have the right, at their joint election, to void all of their obligations under this Agreement and the Defendant will not have any right to withdraw his plea of guilty to the offense(s) enumerated herein.

Cooperation

5. The Defendant agrees to be fully truthful and forthright with federal, state and local law enforcement agencies by providing full, complete and truthful information about all criminal activities about which he has knowledge. The Defendant must provide full, complete and truthful debriefings about these unlawful activities and must fully disclose and provide truthful information to the United States and the State of South Carolina including any books, papers, or documents or any other items of evidentiary value to the investigation. The Defendant must also testify fully and truthfully before any grand juries and at any trials or other proceedings if called upon to do so by the United States and the State of South Carolina, subject to prosecution for perjury for not testifying truthfully. The failure of the Defendant to be fully truthful and forthright at any stage will, at the joint election of the United States and the State of South Carolina, cause the obligations of the United States

and the State of South Carolina within this Agreement to become null and void. Further, it is expressly agreed that if the obligations of the United States and the State of South Carolina within this Agreement become null and void due to the lack of truthfulness on the part of the Defendant, the Defendant understands that:

- A. the Defendant will not be permitted to withdraw his plea of guilty to the federal and state offenses described above;
- B. all additional charges known to the United States and the State of South Carolina may be filed in the appropriate federal and state courts;
- C. the United States and the State of South Carolina may argue for a maximum sentence for the federal and state offenses to which the Defendant has pleaded guilty and for the sentences to run consecutively with service of the terms in the Federal Bureau of Prisons and the South Carolina Department of Corrections, respectively; and
- D. the United States and the State of South Carolina will use any and all information and testimony provided by the Defendant pursuant to this Agreement, or any prior proffer agreements, in the prosecution of the Defendant of all federal and state charges.

6. The Defendant agrees to submit to such polygraph examinations as may be requested by the United States and the State of South Carolina and agrees that any such examinations shall be performed by a polygraph examiner selected by the United States and the State of South Carolina. Defendant further agrees that his refusal to take or his failure to pass any such polygraph examination to the United States and the State of South Carolina's joint satisfaction will result, at their joint discretion, in their obligations within the Agreement becoming null and void.
7. The United States and the State of South Carolina agree that any self-incriminating information provided by the Defendant as a result of the cooperation required by the terms of this Agreement, although available to the Court, will not be used against the Defendant in determining the Defendant's applicable guideline range for sentencing pursuant to the U.S. Sentencing Commission Guidelines. The provisions of this paragraph shall not be applied to restrict any such information:
 - A. known to the United States or the State of South Carolina prior to the date of this Agreement;
 - B. concerning the existence of prior convictions and sentences;
 - C. in a prosecution for perjury or giving a false statement;

- D. in the event the Defendant breaches any of the terms of the Plea Agreement; or
 - E. used to rebut any evidence or arguments offered by or on behalf of the Defendant (including arguments made or issues raised *sua sponte* by the District Court or a South Carolina General Sessions Court) at any stage of the criminal prosecution (including bail, trial, and sentencing).
8. Provided the Defendant cooperates and otherwise complies with all the terms and conditions of this Plea Agreement, and that cooperation is deemed by the United States as providing substantial assistance in the investigation or prosecution of another person, the United States will file a motion for a downward departure pursuant to U.S.S.G. § 5K1.1, and pursuant to such motion, the United States and the State of South Carolina agree to recommend a sentencing range of 18 to 36 months imprisonment (irrespective of any fines and/or forfeitures), followed by a term of supervised release. The parties agree that this sentencing range is a joint recommendation by all parties and is contingent upon the Defendant providing substantial assistance pursuant to U.S.S.G. § 5K1.1. The parties reserve the right to present arguments, including sentencing memoranda, to the Court at sentencing regarding the appropriate sentence within the

aforementioned range, including arguments for a variance within this range. The parties agree that this recommended sentencing range reflects the appropriate sentence after considering the Defendant's substantial assistance, acceptance of responsibility, the sentencing factors in 18 U.S.C. § 3553, and any and all factors that may warrant a variance. The parties further agree that this sentencing range is not binding on the Court, and if the Court declines to impose a sentence within this sentencing range, the parties will have no right to withdraw from this Agreement. If the Defendant does not comply with all the terms of this Agreement, the United States and the State of South Carolina may seek the maximum sentence allowed by law, and the Defendant will not be allowed to withdraw his/her plea.

9. The parties understand and agree that in consideration of this Agreement, and in particular the provisions in Paragraph 10, the State of South Carolina has the right to express its position as to the Defendant's sentence within the aforementioned sentencing range in Paragraph 8, in both any sentencing memorandum filed by the United States as well as at any sentencing proceeding before the United States District Court.

Merger and Other Provisions

10. Provided the Defendant cooperates and otherwise complies with all of the conditions of this Agreement, the undersigned parties agree that the Defendant will serve any and all terms of imprisonment imposed as a result of his conduct and plea of guilty to the offense(s) enumerated herein, absent any terms of probation and/or supervised release, concurrently in the Bureau of Prisons and will not serve any term of incarceration within the South Carolina Department of Corrections. Pursuant to South Carolina law, the parties also agree that it is a negotiated provision of the sentence and this Plea Agreement that the term of the State sentence will be identical to any federal sentence given by the United States District Court. The obligations of the United States and the State of South Carolina in this Paragraph are contingent upon the Defendant's truthful cooperation and satisfactory compliance with all terms of this Agreement, and, as set forth in Paragraphs 4 and 5, *supra*, and Defendant understands his failure to satisfactorily comply with all terms of this agreement or truthfully cooperate may result in service of a sentence in the South Carolina Department of Corrections.
11. The parties agree that if the Defendant is in compliance with the terms of this Agreement, he will not be sentenced in

either federal or state court until the investigation and prosecution in the criminal acts that occurred in relation to V.C. Summer Units 2 and 3 are complete. The determination of the completion of the investigation and prosecution is made at the United States' and the State of South Carolina's joint determination.

12. The Defendant represents to the Court that he has met with his attorneys on a sufficient number of occasions and for a sufficient period of time to discuss the Defendant's case and receive advice; that the Defendant has been truthful with his attorneys and related all information of which the Defendant is aware pertaining to the case; that the Defendant and his attorneys have discussed possible defenses, if any, to the charges in the Information including the existence of any exculpatory or favorable evidence or witnesses, discussed the Defendant's right to a public trial by jury or by the Court, the right to the assistance of counsel throughout the proceedings, the right to call witnesses in the Defendant's behalf and compel their attendance at trial by subpoena, the right to confront and cross-examine the United States and the State of South Carolina's witnesses, the Defendant's right to testify in his own behalf, or to remain silent and have no adverse inferences drawn from his silence; and that the Defendant, with the advice of counsel, has weighed the

relative benefits of a trial by jury or by the Court versus a plea of guilty pursuant to this Agreement, and has entered this Agreement as a matter of the Defendant's free and voluntary choice, and not as a result of pressure or intimidation by any person.

13. The Defendant is aware that 18 U.S.C. § 3742 and 28 U.S.C. § 2255 afford every defendant certain rights to contest a conviction and/or sentence. Acknowledging those rights, the Defendant, in exchange for the concessions made by the United States and the State of South Carolina in this Agreement, waives the right to contest either the conviction or the sentence in any direct appeal or other post-conviction action, including any proceedings under 28 U.S.C. § 2255. This waiver does not apply to claims of ineffective assistance of counsel, prosecutorial misconduct, or future changes in the law that affect the Defendant's conviction or sentence. This Agreement does not affect the rights or obligations of the United States as set forth in 18 U.S.C. § 3742(b). Nor does it limit the United States in its comments in or responses to any post-sentencing matters.
14. The Defendant agrees that as a part of the consideration for this plea he will not appeal his plea of guilty or any sentence he receives in General Sessions Court in South Carolina. The Defendant acknowledges that he understands

that he has a right of direct appeal of his guilty plea or sentence and that he knowingly, voluntarily and expressly waives this right of direct appeal. Additionally, the Defendant understands that he has a right to file a state post-conviction relief (PCR) action but agrees to knowingly and voluntarily waive any post-conviction relief action except for claims that directly attack the effectiveness of advice to agree to this waiver, prosecutorial misconduct, or future changes in the law affecting the Defendant's conviction or sentence. This does not limit the State of South Carolina's comments in or responses to any post-sentencing matters, nor does it limit the State of South Carolina's right to appeal any aspect of the case in state court where appropriate under state law.

15. The Defendant waives all rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States or the State of South Carolina any records pertaining to the investigation or prosecution of this case, including without limitation any records that may be sought under the Freedom of Information Act, 5 U.S.C. § 552; the Privacy Act of 1974, 5 U.S.C. § 552a; or S.C. Code § 30-4-10 et seq.
16. The parties hereby agree that this Plea Agreement contains the entire agreement of the parties; that this Agreement

supersedes all prior promises, representations and statements of the parties; that this Agreement shall not be binding on any party until the Defendant tenders a plea of guilty to both courts having jurisdiction over this matter; that this Agreement may be modified only in writing signed by all parties; and that any and all other promises, representations and statements, whether made prior to, contemporaneous with or after this Agreement, are null and void.

COOPERATION AGREEMENT

1. This Cooperation Agreement (the "Agreement"), dated December 27, 2018, is entered into by the United States Attorney's Office for the District of South Carolina (the "Office"), the South Carolina Attorney General ("the SCAG") and Dominion Energy, Inc. ("Dominion"). This Agreement arises from the ongoing criminal investigation conducted by the Office and the SCAG of the New Nuclear Development ("NND") project of SCANA Corp. ("SCANA"), and the conduct of employees of SCANA and its subsidiary, South Carolina Electric and Gas Company ("SCE&G"), its affiliates, and others, regarding potential violations of federal criminal law in relation to the NND project.

2. This Agreement is binding on Dominion, and is binding on the Office and the SCAG. This Agreement does not provide any protection against criminal prosecution of or the initiation of civil proceedings against any individuals, including any individual who is or was at any time an officer, employee, director, shareholder, agent, or consultant of SCANA or its affiliates. Dominion, the Office, and the SCAG have entered into this Agreement in contemplation of Dominion's planned acquisition of SCANA. If Dominion does not acquire SCANA by July 1, 2019, this Agreement is void.

3. The Office and the SCAG enter into this Agreement based, in part, on the following factors: (a) Dominion's potential acquisition of SCANA; (b) Dominion's commitment herein to full and extensive cooperation with the Office and the SCAG; (c) Dominion's extensive remedial efforts, as detailed below; (d) principles of successor liability; and (e) principles of individual accountability for corporate wrong-doing.

4. As part of its proposed acquisition of SCANA, Dominion has committed to make extensive remedial efforts to redress ratepayers, such as are included in its proposal to the Public Service Commission. The parties agree that the appropriate amount of ratepayer remedial value to be paid by Dominion and/or SCANA/SCE&G (in the event the merger occurs) as determined by the Public Service Commission will be treated by the Office and the SCAG as restitution paid to victims, and the value of ratepayer remediation to be paid by Dominion is presently estimated to be approximately \$4 billion. This agreement does not affect what restitution may be assessed by the Office, the SCAG, or any state or federal court against any individual persons. If Dominion commits a material breach of this agreement and the Office and/or the SCAG exercise certain remedies as reflected in paragraphs 7 and 8 below, Dominion will receive a credit against any restitution amount ultimately assessed by the Office, the SCAG, or any state or federal court for the value it has or will provide to ratepayers pursuant to the Public Service Commission's determination; this does not limit fines that may be assessed if Dominion breaches this agreement.

5. Until the conclusion of all investigations and prosecutions conducted by the Office and/or the SCAG against any individuals that arise out of the conduct described in this Agreement, Dominion shall, commencing on the date of its acquisition of SCANA: (a) cooperate fully with the Office, the Federal Bureau of Investigation, the SCAG, the South Carolina Law Enforcement Division ("SLED"), and any other prosecutorial and law enforcement agency designated by the Office and/or the SCAG; (b) conduct its own independent review related to the NND project

involving the attempted construction and later abandonment of the VC Summer nuclear reactors, and bring to the attention of the Office and the SCAG all conduct by employees of SCANA and SCE&G that is related to the conduct described in this Agreement, relevant to the respective investigations of the Office and the SCAG, and brought to the attention of Dominion; (c) preserve until further notice from both the Office and the SCAG any documents, records, emails, communications, recordings, digital files, and any and all records or evidence related to the NND project involving the attempted construction and later abandonment of the VC Summer nuclear reactors, and (d) provide the Office and the SCAG, upon request, all non-privileged information, documents, records, or other tangible evidence about which the Office or the SCAG or any law enforcement agency designated by the Office or the SCAG inquires in connection with any investigation or matter related to the conduct described in this Agreement. Nothing in this Agreement shall be construed as a waiver by Dominion of the attorney-client privilege, the attorney work-product doctrine, or any other applicable privilege or protection with respect to documents or records requested by the Office or the SCAG. Dominion recognizes that SCANA and/or SCE&G may have knowingly and voluntarily waived or not asserted an applicable attorney-client privilege, claim of attorney work-product doctrine, or any other applicable privilege or protection with respect to documents or records requested by the Office or the SCAG prior to the date of this Agreement; Dominion agrees that these prior waivers or non-assertions will not be rescinded. To the extent that privilege issues arise in the course of Dominion's cooperation as detailed in this Agreement, Dominion will consider whether an applicable privilege or protection applies under law, including consideration of whether an exception to an otherwise applicable privilege or protection applies and should be waived or not asserted in order to achieve the stated goals of this agreement. Dominion retains the discretion to waive or not assert an applicable privilege or protection in the course of its cooperation.

6. In consideration for Dominion's entering into this Agreement and its commitment to perform the duties and obligations set forth herein, and subject to paragraph 2, which allows for the prosecution of individuals, the Office and the SCAG agree not to criminally prosecute or bring any civil action against Dominion or any of its current, previous, or future direct or indirect subsidiaries, including but not limited to SCANA or SCE&G post-acquisition by Dominion, related to: (a) any conduct undertaken by directors, officers, employees, agents, or contractors of SCANA or its affiliates, including SCE&G, on or before the date of the execution of this Agreement, related to the NND project involving the attempted construction and later abandonment of the VC Summer nuclear reactors; and (b) any conduct undertaken by directors, officers, employees, agents, or contractors of SCANA or its affiliates, including SCE&G, on or before the date of this Agreement, that Dominion discovers during its continuing investigation, so long as Dominion promptly discloses information about such conduct to the Office and the SCAG.

7. The parties agree that if the Office and/or the SCAG determines that Dominion has materially violated any provision of this Agreement, during the three-year period set to begin on the date of the merger between Dominion and SCANA, SCANA and SCE&G shall thereafter be subject to prosecution for any violation of which the Office and/or the SCAG has knowledge, including perjury and obstruction of justice. Any such prosecution that is not time-barred by the applicable statute of limitations on the date of the execution of this Agreement may be commenced against SCANA or SCE&G. In addition, Dominion agrees to toll, and to exclude

from any calculation of time, the running of the statute of limitations for any conduct that is the subject of this Agreement for a three-year period commencing on the date of the execution of this Agreement.

8. The parties agree that if, in the three-year period commencing on the date of the execution of this Agreement, the Office and/or the SCAG determine that Dominion has materially violated any provision of this Agreement, the Office and/or the SCAG shall provide written notice to Dominion of that determination and provide Dominion with a 30-day period following such notice within which Dominion may (a) attempt to cure the violation, and/or (b) make a presentation to the Office and/or the SCAG to demonstrate that no violation occurred, or, if applicable, that any violation should not result in the exercise of certain remedies. Thereafter, the Office and/or the SCAG shall provide written notice to Dominion of its final determination regarding whether Dominion has materially violated any provision of this Agreement. The parties agree that the Office's final determination will not be subject to review in any judicial proceeding, but the Office's determination may be subject to review within the Department of Justice.

9. The parties agree that if, in the three-year period following the date of the execution of this Agreement, the Office and/or the SCAG determine that Dominion has materially violated any provision of this Agreement, (i) all statements made by Dominion, or its subsidiaries, to the Office, the SCAG, or other designated law enforcement agents, and any testimony given by Dominion, or its subsidiaries, before any grand jury or other tribunal, whether prior or subsequent to the execution of this Agreement, and any leads from such statements or testimony, shall be admissible in evidence in any criminal proceeding brought against Dominion and/or Dominion's subsidiaries; and (ii) Dominion and its subsidiaries shall assert no claim under the United States Constitution, any statute, Rule 410 of the Federal Rules of Evidence, Rule 410 of the South Carolina Rules of Evidence, or any other state or federal rule that such statements or any leads therefrom should be suppressed or otherwise excluded from evidence. By signing this Agreement, Dominion knowingly and voluntarily waives all rights in the foregoing respects.

10. Nothing in this Agreement and no action taken by Dominion, any of its affiliates, or any individual pursuant to this Agreement will be deemed to constitute any admission by Dominion, any of its affiliates, or any individual of civil liability under any local, state, or federal statute or any principle of common law.

11. The parties agree that exclusive jurisdiction and venue for any federal proceeding is in the United States District Court for the District of South Carolina. The parties agree that exclusive jurisdiction and venue for any state proceeding is with the Presiding Judge of the State Grand Jury of South Carolina.

12. The parties agree that this Agreement may be disclosed to the public.

13. From the date of the execution of this Agreement forward, this Agreement supersedes all prior, if any, understandings, agreements, promises, and/or conditions between the parties hereto. No additional understandings, agreements, promises, or conditions have been entered into other

than those set forth in this Agreement, and none will be entered into unless in writing and signed by all parties.

14. The undersigned representative of Dominion warrants and represents to the Office and the SCAG that he possesses the authority to enter into this Agreement.
