Ranking Member

Dear Speaker Pelosi, Leader McCarthy, Chair DeLauro, and Ranking Member Granger,

In any continuing resolution or omnibus appropriation for Fiscal Year 2023, we ask that you extend the Federal Medical Assistance Percentage for the territories established in U.S.P.L. 116-94.

Such an extension was included in Division P Title II Section 201 of the Consolidated Appropriations Act, 2022 (U.S.P.L. 117-103), and previous continuing resolutions for which we are most grateful.

The FMAP agreed in U.S.P.L. 116-94 and already extended four times remains critical for delivery of Medicaid healthcare services to the people we represent in the U.S. insular areas, especially during the continuing pandemic and related economic downturn in our districts.

Thank you for your understanding and leadership.

Sincerely,

GREGORIO KILILI CAMACHO SABLÁN
