SUBJECT: Inquiry about CLTC Oversight

Hafa Adai Senator Brown,

Thank you for your letter. As you know, I am keenly aware of the issues plaguing the CLTC based on many years working with them and many oversights over the past few years. I expect a response from the CLTC shortly regarding whether other cases are impacted by the Director asking agents to change their recommendations or changing the recommendations himself. I will share with you whatever information is provided.

As to the potential forgery, I will be forwarding your letter to the Attorney General along with a request for an investigation as to those allegations.

As you know, the board took action to address agent reports going forward, and the Director has resigned. After review of the information expected from CLTC, I will determine what remaining issues will be included in the next oversight of the CLTC. A date has not yet been set due to the flux in directors and our session schedule.

Thank you again for your assistance in holding the CLTC and other agencies accountable.

Si Yu'os Ma'åse',

Therese M. Terlaje
