THINGS TO SEE

TOGUAN BAY

RATING: EASY

LENGTH: 1.2 miles total (40 minutes to destination, allow for three hours total)

ELEVATION GAIN: 10 ft.

ITEMS: water, snacks, gloves, hat, sturdy shoes, sunscreen, sunglasses, insect repellent, snorkel mask, fins

SPECIAL CONDITIONS: Slip and slippery rock-hopping, walking through shallow water and mounds of sand, traversing the sharp, jagged coastline, a long walk under the sun, possibly hazardous surf

SIGHTS TO SEE: Views of the isolated southwestern coast, vast variety of geological wonders, vibrant flora and fauna below and above water, unique beach treasures such as colorful seashells and peculiar rocks

AREA OF HIKE
UMATAC
