SUPREME COURT OF GUAM

**RE: Confidential Sworn Application to Resign from the Practice of Law on Guam
Pursuant to GRLDEDP 24**

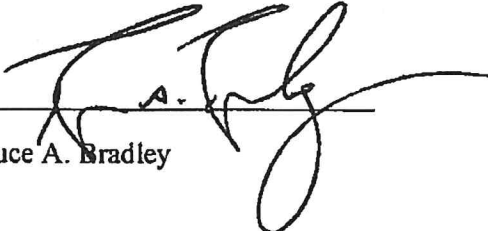

Please accept this submission as my application for the Supreme Court's consent to resign from the practice of law on Guam pursuant to GRLDEDP 24. I have been registered as an inactive member of the Guam Bar for several years and thus have not been practicing law during that period. I have no current clients, nor do I have any affiliation relative to the practice of law with any other Guam attorneys who have clients.

I have a confidential ethics matter that remains open in the office of Regulation Counsel. No formal charges have been filed, and it remains confidential. A mutually agreed confidential resolution of the matter has been reached, with the approval of the Investigative Panel. I have admitted the allegation that I violated Rule 8.4(d) and a private admonition has been issued to me for this violation. I also agreed to voluntarily resign, which is the purpose of this application. I will not seek reinstatement to the practice of law in Guam in the future.

I hereby consent that the Court may require reasonable conditions for protection of the public, including making a permanent record of the fact of my resignation under this rule with all jurisdictions where I am admitted and all other appropriate authorities. I am aware that I must keep the Court informed of my current contact information for a period of six years.

Regulation Counsel is aware of the contents of this application.

Signed and sworn under the penalty of perjury this 22 day of July 2026.

Bruce A. Bradley
