Re: *I Liheslaturan Guåhan* Fiscal Year 2020 Budget

Senator San Agustin:

Buenas yan Håfa Adai.

As it pertains to the budget of *I Liheslaturan Guåhan*, I have not needed to exercise my Organic Act authority to address this ever-changing public health emergency. However, that need may come sooner than later. When it does, I hope this legislature can rally behind those senators that have been positively instrumental in this response and be as supportive as the Chief Justice.

Senseremente,

LOURDES A. LEON GUERRERO

Re: Judiciary of Guam's Fiscal Year 2020 Budget

Chief Justice Carbullido,

Buenas yan Háfa Adai.

Thank you for taking the time to speak with me earlier this week. I wanted to write formally and reassure you that before any extraordinary action is taken that will affect your budget, I will consult directly with you.

I recognize and have great respect for our separate, but co equal branches -- the foundation that our government depends upon. However, more importantly, I am grateful for your unwavering support during these difficult times. This support has been swift, decisive and, most impressively, without motive beyond responding to the needs of the people we serve. Guam, just like the rest of the world, is greatly affected by this global pandemic. However, unlike other areas, Guam can rely on the steadfast coordination between our leaderships.

Senseremente,

LOURDES A. LEON GUERRERO
Maga'hågan Guåhan
Governor of Guam
