MEDIA ADVISORY/NEWS RELEASE **For Immediate Release (General Circulation)**

PIO No. 070220222
Re: Social Media Post

On Friday, July 01, 2022, a Social Media Post raised concern with the community which could be seen on a Facebook account under a Group Profile, Navy Guam Sells. It could be viewed as a Post warning the public of two men going around claiming to be homeless, seeking help, and then attacks. The online social media post identifies the two attacked a 33 year old single mom with a knife two days ago, further continues to note, be careful and to warn others. Two unidentified photos was attached to the online social media post.

The Guam Police Department conducted research and extended the inquiry to our neighboring Law Enforcement Agencies further identifying NO OFFICIAL complaint has been made. A further check implies the Social Media Post has not been verified and may potentially be fictitious.

As we are tracking this post and many others, we would like to remind the community to verify the Source (post, emails, or advertisement) as it may also tie into Online Scamming with intentions to obtain personal information.
