

**AG Moylan Testimony Supporting Bill 183-37
Sexual Victimization Children Under 12 Yrs. Old**
(Monday, April 1, 2024, 8:30 a.m., Legislative Public Hearing)

Hafa Adai. This Testimony is submitted on behalf of the AG's Office, and our client the People of Guam, in support of Bill Number 187-37, sexual victimization of less than 12 years old.

The legislation strengthens the punishment for sexual predators consistent with Jessica's Law – type legislation being passed in other States. I understand that the sponsor incorp. some of our suggestions.

It is this AG's belief that there should be mandatory sentencing, with no discretion, life in prison without the possibility of parole for the categories that qualify as a pedophile crime.

Thank you for this opportunity to comment on this legislation, and to Senator Chris Barnett for its introduction.

Respectfully,

Douglas B. Moylan
Attorney General of Guam
