**Re: Circulated Post regarding Face Masks**

It has been brought to the Guam Police Department's attention that a post regarding "door to door" initiatives with local government in providing face masks is being offered and given to residences doused with chemicals which can knock the person out with the intention to rob you.

The Guam Police Department confirms the circulated post that could be seen on WhatsApp or other forms of media is not substantiated nor true and could be identified as a hoax. We advise, the circulated post is not a Product of the Guam Police Department.

We would like to remind the community when answering your doors to identify who you open your doors to. If you are not expecting any visitors or company keep your door closed and locked. If you do not recognize the person on the other side of the door and they refuse to provide their identity, contact your nearest precinct.

We encourage when purchasing or receiving face masks to obtain your face masks from a reputable company, local pharmacy, or store.

If you have any questions or would like to report any incidences regarding the circulated post, you may contact Guam Police Dispatch at 671-475-8616 thru 7. For emergencies contact 911.
