**First Baby Born in America Receives Gifts from Community
2020 I ♥ Guam Baby “Where America’s First Baby is Born”**

Guam is “Where America’s Day Begins.” The first baby born on Guam has the distinction of being **America’s first baby born in the New Year** due to the island’s geographic location. The “I ♥ Guam NEW YEAR BABY” is a program initiated by Archway, Inc. to recognize this unique quality. Started in 2005, the initiative has grown each year with increased participation from local businesses.

“Since 2005, Guam’s business community continues to give unselfishly for this special annual event. Through their generosity, basic essentials will be ready for the new baby, and the family receives food and other gifts,” commented Penny Macias, Archway Inc.

Families of two past New Year babies are ‘paying it forward’ with their personal contributions. "It is not only about welcoming the FIRST and newest American born on U.S. soil, but showing Guam's true spirit of helping, giving, and celebrating the joys of life," Macias added.

The baby and the family will be receiving over \$7,500 in gifts to support them with a smooth start to the New Year. They will be presented with the following donations:
