PROPOSITION NO. 2

The Board of Mayes County
Commissioners approved Resolution
No. 22-33 which establishes an
approximately 588-acre ad valorem
tax increment financing district (TIF
District) in the MidAmerica Industrial
Park (Park) but defers the official
creation of the TIF District to a later
date. The main purpose in creating
the TIF District is to collect additional
ad valorem taxes on increased
valuation of property in the TIF
District (Increment Revenue) to
induce Project Ocean to locate in the
TIF District, by using the Increment
Revenue as divided to provide: (1)
up to \$100 million in direct financial
incentives to Project Ocean; (2) up
to \$50 million to fund public
infrastructure improvements within
the Park; and (3) up to \$150 million
to the taxing entities. The TIF District
will last 12 years or until \$300 million
in Increment Revenue is collected,
whichever comes first.
