

New Brunswick Club Professional Clothing Drive

Middlesex Professors!

As Middlesex College students prepare to enter the professional world, many find themselves needing some help finding the right clothes. New Brunswick Club is hosting a clothing drive to ensure all students can have access to professional attire. By donating **new or gently used** professional clothing, you can help provide the boost needed for students to confidently step into their new careers.

What's needed:

- Dress pants • Khakis • Skirts • Blouses • Golf shirts •
- Blazers • Collared shirts • Shoes •

Please donate only items with no visible wear including stains, rips and holes.

**Your generosity can make an impact
on our students' futures!**

**Please drop off
donations in the lobby
by the end of march.**
