## Notes/Narratives

### NARRATIVE

On July 9, 2012 I was patrolling the area of [REDACTED] (Knollwood Manor) when a concerned citizen approached me about an ongoing drug issue in the complex. The female desired to remain anonymous out of fear she would be retaliated against as a "snitch."

The female did provide physical evidence of her claim by way of handing me a small quantity of crack cocaine that she found near her residence.

The female concluded her interaction with me by saying "we definately have plenty of drugs here."

[REDACTED] and I intended use this information for an interdiction detail that was in the planning stages at the time of this report.
