NARRATIVE

On 06-18-2013 I responded to a report of a theft at [REDACTED] I arrived on scene and met with [REDACTED]

I was advised that sometime within the past month his HP printer had gone missing from a storage closet that is in the apartment. He said that he suspected his roommate of taking it, but had not seen him with it, and did not know for sure that he took it. He went on to tell me how the roommate owed him money, and he was in the process of preparing a civil suit against him.

The roommate arrived on scene and I asked him about the printer. He said that he did not have the printer, and did not know where it would be. He said that they are the only ones that live there, but they both have guests over regularly. He also said that he had been accused of taking the victim's pillow previously, and that the victim had located it a day or so later. I asked about any printers that were in his room, and he brought one out for the victim to look at, and the victim advised that it was not the printer in question.

Both parties were issued case card information, and the victim was advised of the warrant application process.

Notes/Narratives

NARRATIVE

On 06-18-13 at aprox. 1030 Hrs I responded to 1530 South Lumpkin St to meet with [REDACTED] in reference to his 2002 Suzuki motorcycle.

Upon arrival [REDACTED] advised that he leaves the motorcycle at this location with a friend and when he comes to town for school he drives it on campus. [REDACTED] said he discovered it missing on this date. He also stated that it was secured to the garage post with a cable and lock. [REDACTED] advised that he has already checked with the apartment complex and they advised that they have not towed any vehicle from that location.

I did not see any evidence or scene to process. I also didn't see any signs of a wrecker being on scene in the last several days. I had Central place the motorcycle on GCIC as stolen.
