Notes/Narratives**NARRATIVE**

On 010814 at approximately 1920 hours, I was sitting stationary along the southbound shoulder of River Road near the Alpha Epsilon Pi Fraternity. I observed a black 2004 Toyota 4 Runner (GA Tag: [REDACTED]) traveling northbound on River Road and approaching my location. I further observed that the vehicle appeared to be traveling in excess of the posted 25 miles per hour speed limit. I made a visual estimate for the speed of the vehicle at 40 miles per hour. I then activated my speed detection device (A Kustom Pro Laser III - Serial # PL27222) and began to attempt to obtain a reading for the speed of the vehicle. I received an initial reading of 42 miles per hour for the speed of the vehicle. As I continued to track the vehicle with my speed detection unit, I watched as the vehicle's speed increased to a maximum measured speed of 43 miles per hour.

I followed after the vehicle and activated my emergency flashing lights in order to initiate a traffic stop on the vehicle for the offense of speeding in excess of maximum limits. The final stop was located in the East Campus Perimeter Parking Lot. I approached the driver (Sigg, Greyson Bates - GA OLN: [REDACTED]), requested the driver's license, and explained the reason for the stop to the driver. The driver stated that he was on his way to "Tutoring" and that he could not be late. I advised the driver to remain in his vehicle and that I would return in a moment.

I returned to my patrol vehicle and with Senior Police Officer Browning's (My ride-along partner for the shift) assistance ran GCIC inquiries of the driver's license information and the vehicle's registration. The GCIC inquiry results revealed the vehicle to have valid insurance coverage and active registration. The GCIC inquiry of the driver's license information revealed the driver's license to be suspended as follows:

Non-commercial status: "SUSPENSION (ALL)"

Commercial status: "SUSPENSION (ALL)"

Permit status: "NONE"

"ACTIVE SUSPENSIONS: SERIOUS VIOLATIONS, UNDER 21, SUSPENSION (ALL)" with a violation date of 08/01/2013, a suspension date of 09/10/2013, and no serve date.

I returned to the driver and inquired about the status of his license. The driver initially indicated that he was unaware that his driver's license was suspended. I continued to talk with the driver and the driver indicated that he had received a speeding ticket months ago but that a friend of his fathers had taken care of the citation and license suspension. I asked the driver if he had received a letter from the Georgia Department of Driver Services and the driver replied that he had. I asked the driver what the

letter had advised him and the driver stated that the letter advised him that his driver's license was suspended. I asked the driver if he had followed up the Department of Driver's Service regarding his driver's license and license suspension to which he replied that he had not. The driver stated that he thought that his father's friend had taken care of it (The license suspension). The driver was unable to provide the name of his father's friend that he alleged had been helping him. The driver stated that his father's friend was a government official but did not work with or for the Department of Driver's Services.

I asked the driver to step out of his vehicle and he complied with my request. I explained to the driver that based on his statements that he had been notified by the Department of Driver's Services that his driver's license was suspended, his further statements that he had not followed up with DDS to reinstate his driver's license, and my observations of him driving that he was under arrest for driving while his driver's license was suspended and for speeding. I placed the offender into double locked handcuffs behind his back and conducted a search of his person incident to arrest without locating any contraband.

I allowed the offender to make a phone call to have someone come and take control of his vehicle. [REDACTED] (GA OLN: [REDACTED]) subsequently arrived on scene and the offender's vehicle was released to [REDACTED] in accordance with the offender's request.

I transported the offender to the Athens-Clarke County Jail where he and his belongings were released to jail personnel. I issued the offender two citations (035169 for speeding in excess of maximum limits - O.C.G.A. 40-6-181 and 035170 for driving while driver's license suspended - O.C.G.A. 40-5-121). I also served the offender with notice of his license suspension and collected his driver's license to be returned to the Georgia Department of Driver's Services.

This incident was recorded on both my and SPO Browning's Taser Flex Cameras as well as the MVR System of vehicle 95011.
