Hey UGA Family,

Next week is a **HUGE** week for Global LEAD at UGA and we **really need your help!** If you have any free time available at all next week, we are really trying to rally our Global LEAD family to tell new UGA students about our programs abroad and LEAD Local!!!

Whether it was hearing about Global LEAD in class, getting a flyer from a Global LEADer on campus or seeing a t-shirt/poster - each of us (including ME) heard about Global LEAD in a different way... and for each of those moments, I am incredibly grateful! We are so thankful that you each somehow heard the Global LEAD story and decided to join us and become a part of the story yourself. **Now we need YOUR help to continuing growing our UGA Global LEAD family.**

*Please skim over the things going on next week and respond to let us know if you're able to help! I'm REALLY hoping to see each of you signed up to help out in some way.*

We can't continue to grow without you.

Thank you guys SOOO much for your help!!! Can't wait to hang out next week!!

Jo

#### SUNDAY

- **MOST IMPORTANT:** Drop by Mellow Mushroom downtown anytime between 7:30PM - 10PM to get **free pizza** from me and Lauren AND another surprise! **If you can't do anything else all week, please try to drop by Mellow!!!**
- Sunday 10:45PM - If any of you are artsy and want to hang out with me, Lauren Kelley and Elena for a few hours LATE Sunday night, sign up on [this google doc](#).

#### MONDAY & TUESDAY

- TATE: We will have a table set up in Tate Plaza from 10AM - 2PM
  - Lauren and I will be there all day (except class changes when we'll be running to make class announcements) and NEED student representatives there to answer questions as students come by. The more the merrier! We want to make a big scene with lots of people (corn hole, music, etc to keep you entertained and happy)
  - [Sign up here!](#) **We need a few students with us at all times!**
- DINING HALLS: We'd love to have family at the dining halls answering questions for students who are interested in Global LEAD! *You don't have to be obnoxious...* just serve as a representative. We will send more details if you're willing to help!!! [Click here to sign up!](#)

#### CLASS SPEAKING

- If you don't mind making a 30 second announcement in your classes about your experience abroad AND back at UGA with Global LEAD, we'd be so appreciative! Jim Thompson compiled a list of all the MAJOR lecture classes at UGA and we'd love help hitting them. If you're already in one on the list, please let us know if you are willing to make a quick announcement. We can find someone to join you if you want a partner in crime. [Click HERE to see the list of classes we'd like to speak to.](#)
- What to say: "Last summer I went on a study abroad program called Global LEAD... talk about class credit (they WILL get 6-hours... won't be through UGA but you don't need to announce that in the class), the amazing service, how much you learned and what you've done with Global LEAD back home -- service, Diplomacy Day, tailgates, etc. Not just a 5-week experience. **MOST IMPORTANT: If you have pen and paper, or just a good memory... write this down: [www.GlobalLEADprogram.org](http://www.GlobalLEADprogram.org). Check out the videos/pictures. The application will be released November 1st. If you are interested in getting more information, sign up on this clip board!**" (before you go to the class, drop by Tate Plaza and we will give you a clip board to take with you to class with a paper for sign ups!)

#### CAMPUS ORGANIZATIONS

If you're in a campus organization that meets Monday, Tuesday or Wednesday next week, we'd love to come speak at your meeting to give a 30 second Global LEAD plug. If you can't have outside speakers, we'd love for YOU to make a quick announcement at your own meeting about your experience with Global LEAD. *Please reply to this email* and let me know which organization you'll be speaking to so we know not to reach out to them!

#### CHAPTER SPEAKING

If you're willing to go to sorority/fraternities on Monday night with another Global LEADer, please email Kelsey Schmidt ([kmschmidt10@gmail.com](mailto:kmschmidt10@gmail.com)). We want to hit as many sororities/fraternities as possible next week!

#### OTHER

*Have other ideas of how we can reach out?!* Please let me know! We want to make sure we don't lose our UGA domination.

*(this can't turn into a Wake or Bama dominated program... let's keep it full of Dawgs!)*
