Notes/Narratives

NARRATIVE

On 01/13/13 at approximately 0400 hours, I responded to a Noise complaint call in the area of Ruth St and Jonas Ave. When I arrived in the area from Lake St, I turned right onto Ruth St and could hear faint music. As I continued to approach the increasing noise on Ruth St and Jonas Ave, I was flagged by a white man who advised that the noise is coming from the house that has the KA sign on it. I came to a stop at the KA house which is [REDACTED]. When I got out, I asked a large group of people to call the resident. I didn't have any luck with that. I made my way to the back side of the house and asked another group of people about the owner. A male by the name of [REDACTED] said that this is his house and he was in charge of the party. I asked [REDACTED] for his identification and ran his information through central. I advised [REDACTED] that he was in violation of the county's noise ordinance of 100 feet. [REDACTED] was cited for noise violation and a case # has been generated.
