NARRATIVE

On this day, 02/10/13, I was dispatched to [REDACTED] in reference to a burglary that had occurred. When I arrived, I made contact with both the residents of this apartment, who were identified as [REDACTED]

[REDACTED] advised they had arrived home at their apartment on 02/09/13 at about 2300hrs and had left their belongings on the kitchen counter. Both advised they had then gone to bed. In the morning, [REDACTED] advised that he had come downstairs at approximately 1000hrs and found that his wallet had been rummaged through, his keys were missing, and several of his credit cards and his driver's license had been taken. [REDACTED] also advised that he noticed [REDACTED] belongings appeared to have been gone through, however, [REDACTED] was leaving for several hours and did not have a chance to talk to [REDACTED]. [REDACTED] advised he had noticed the front door was left unlocked and thought this was unusual. [REDACTED] advised he had meant to call [REDACTED] later, but did not have contact with [REDACTED] again this date until just before calling. [REDACTED] advised he was also missing \$20 in cash.

[REDACTED] advised he came downstairs and found that his debit card, Georgia driver's license, iPhone, and house key were missing.

[REDACTED] advised that they had waited to call PD until they had a chance to talk with each other to make sure neither one of them had moved the belongings.

[REDACTED] advised that when he returned home, he noticed that his car, [REDACTED] had all of the doors left unlocked. [REDACTED] again advised he was missing his car keys at this time. [REDACTED] advised it did not appear anything was missing from the vehicle, but it did look like the center console had been moved.

There was no sign of forced entry, however, [REDACTED] advised he has seen residents in this apartment

community able to undo the locks of the apartments with just a credit card. [REDACTED] both advised they did not hear anything during the night. Both parties advised they normally have the door locked even when they are at home.

[REDACTED] both advised there was credit card activity on their cards, and had since canceled the card numbers and froze the accounts. [REDACTED] advised the activity appears to be occurring in Atlanta. I advised them to get printouts of the activity and provide it to PD as soon as they can. I also got the serial number for [REDACTED] iPhone and will be submitting that to be entered into GCIC.

I was unable to recover any finger prints from the scene, neither the apartment nor the vehicle [REDACTED] and [REDACTED] had also moved around all the items on the counter while looking for their belongings. They advised nothing else appeared to be out of place. There were several electronic items in the living room that had not been touched or moved. I also checked the back door and could see no sign of entry. the rear door was still locked. I reexamined the front door and could find no sign of forced entry.

I provided [REDACTED] with CRN cards for this report. I also advised them to contact their landlord about getting the locks replaced. [REDACTED] did not have all of their card numbers available at this time for their Debit and Credit cards and this information will also need to be added when available.

Notes/Narratives**NARRATIVE**

On 021013 at 0431 hours I observed a silver 2010 Toyota Tacoma [REDACTED] traveling east on Field Street and then the vehicle turned north onto East Campus Road. As I was behind the vehicle, I could smell the odor of burning marijuana coming from the vehicle. The vehicle then turned onto River Road and then turned into the East Campus Perimeter Lot and I initiated a traffic stop on the vehicle. The final for the stop was in the East Campus Perimeter Lot. As I approached the vehicle and made contact with the driver, I could smell the odor of burning marijuana coming from the vehicle. I advised the driver Fisher, William Henry [REDACTED] that I pulled him over because I smelled the odor of marijuana coming from the vehicle and he stated "ok". I asked the driver to step from the vehicle. The driver had red blood shot eyes and his pupils were dilated. I asked the driver for his driver's license and he handed it to me. A GCIC check revealed the driver to be 19 years old. The driver stated that he was coming from work. I asked the driver where he lived and he stated "that is not prevalent". The driver stated that he works downtown Athens at the Silver Dollar Bar. Officer Wood arrived on scene and stood with the driver while I searched the vehicle due to the smell of marijuana. As I started searching the interior of the vehicle the smell of burning marijuana was strong but then the odor started to dissipate. No marijuana was found inside the vehicle. I then spoke with the driver once again and could smell the odor of burnt marijuana coming from his breath and person. The driver stated that he gave his friend a ride home and his friend had smoked marijuana and it got on his clothes. I asked the driver if he would participate in some voluntary field sobriety exercises and he stated that he would give me a breath sample. I advised him that I was not asking for a breath sample. He then stated that he couldn't do it because of his boots and I told him that he could remove the boots. I asked the driver if he had smoked any marijuana and he stated "no". I advised the driver once again that I could smell the odor of marijuana coming from his breath. I asked him again would he perform the voluntary exercises and he stated that it's not necessary. At 0444 hours I placed the driver under arrest for DUI Drugs (citation #037262). I read the driver the Georgia Implied Consent Notice suspects under age 21 and he stated that he would provide a sample of his blood. The driver was then searched incident to arrest and placed in the rear seat of my patrol vehicle (95115) and was seat belted in. As I started to leave the parking lot to take the driver to ARMC for the blood sample he asked me if it's too late to change his mind. I advised that it's up to him if he wanted to change his mind. I asked the driver if he wanted me to read the Implied Consent Notice again and he stated "yes". I parked my patrol vehicle and read him the Implied Consent Notice once again. The driver then refused to provide a blood sample. I then transported the driver to the Clarke County Jail and released him to jail personnel. The traffic stop was recorded on the MVR in vehicle 95115. The offender's vehicle was left secured in the East Campus Perimeter Parking Lot. I completed the DDS 1205 form and attached his driver's license to the report copy. The driver was given his copy of the DDS 1205 form.

Supplement Notes

This information is intended to be part of the original report.

On 02/10/2013 at 0431 hours Sgt. Seawright initiated a traffic stop and requested to have an additional unit at the East Campus Perimeter lot. Upon my arrival on scene Sgt. Seawright asked if I would stand with Fisher while he conducted a probable cause search of Fisher's vehicle. While I was standing beside Fisher I engaged in a conversation with him, upon talking with him I could smell the odor of marijuana coming from his breath and person.

After Sgt. Seawright finished conducting his search of the vehicle he advised Fisher that he could smell the odor of marijuana coming from his breath and clothes. Fisher advised that it could be from giving his friend a ride home prior to the traffic stop. Sgt. Seawright asked Fisher if he would perform some voluntary field sobriety exercises, at which time he refused. Fisher was read the Georgia Implied Consent Notice for persons under the age of 21 years for the chemical test of his blood, he agreed.

At this time I left the scene to retrieve a blood test kit from the UGA Police Department and head to Athens Regional Medical Center. As I arrived at the station Sgt Seawright advised me that he had to read the Implied Consent Notice again to Fisher and at this time he refused testing.

Notes/Narratives**NARRATIVE**

On 02/10/2013 at 0105 hours, I was conducting speed detection and enforcement in a marked University of Georgia Police vehicle. My vehicle was positioned along River Road north of the entrance to the Alpha Epsilon Pi Fraternity house and south of the exit of the East Campus Perimeter Lot.

While stationed there, I observed a grey 2013 Chevrolet Suburban [REDACTED] traveling northbound along River Road. I believed the vehicle to be exceeding the 25mph speed limit. I then made a visual estimate of the vehicle's speed to be 40mph.

I then used my Kustom Signals ProLaer III [REDACTED] to determine the vehicle's actual speed. After acquiring a lock on the vehicle with the laser, the display indicated the actual speed of the vehicle to be 40mph. At this time, I turned on my emergency lights and initiated a traffic stop on the vehicle.

I then made contact with the driver, John Randolph Parker [REDACTED] I identified myself and asked Parker if he was aware of the reason for the stop. He stated he was not aware of the reason for my traffic stop. He immediately stated that the vehicle did not belong to him. He stated he was not aware of the speed limit on River Road. Parker stated that he had not accelerated and was just coasting through the curve.

I returned to my vehicle and ran Parker's vehicle and license information through GCIC. I received a GCIC return indicating that Parker's license was suspended on 01/14/2013 for a violation on 10/07/2012 with a serve date of 12/22/2012. That message was repeated indicating two separate suspensions. GCIC showed that Parker's non-commercial status was "SUSPENSION (ALL)".

I had University Communications confirm the suspensions. After the suspension was confirmed, I returned to Parker and asked him to step out of the vehicle and speak with me. After moving to the rear of his vehicle, I advised Parker that his license returned as suspended. He stated he had received citations in Putnam County but he believed he had paid them. Parker was unable to provide any receipts or show proof of payment.

Based on the GCIC return, I placed Parker under arrest for Speeding (OCGA 40-6-181 - Citation No: 037658) and Driving With a Suspended License (OCGA 40-5-121 - Citation No: 037659). I placed Parker in double-locked handcuffs behind his back and searched him incident to arrest. Parker's belongings were placed into a paper bag. His belongings included loose change, keys, a lighter,

cigarettes, cell phone and wallet. The wallet and phone were handed to me by the passenger after Parker was secured with a seatbelt into the back of my patrol vehicle.

The passenger of the Suburban was in possession of a Class D Georgia license which prohibited her from driving between 0000 hours and 0600 hours. She called a friend to remove the vehicle from the scene.

After the vehicle was removed, I transported Parker to the Clarke County Jail. Parker signed both citations and was left with Jail Personnel. I seized Parker's license to be returned to the Department of Driver Services. I did not complete a notice of service form for Parker since his GCIC return already showed service dates. Parker's license was included with the report.

My MVR was in use during the stop and arrest. Once we arrived at the Clarke County Jail, I activated my personal recorder before entering the facility. A copy of the MVR and personal audio recording has been included with the case file. The audio recording has also been included on the cases drive.

On 02/08/2013 at approximately 1833 hours I observed a blue Kawasaki motorcycle [REDACTED] traveling on College Station Road under the 10 Loop without any headlights activated. I initiated a traffic stop and the final for the traffic stop was on Riverbend Road in front of the Riverbend Research Laboratories.

I made contact with the driver of the motorcycle and identified him as Asfaw Wossen Araga by using his Georgia Driver's License [REDACTED]. The license he handed me was a class C license and I asked for his motorcycle license. He told me he did not have a motorcycle license, but was planning on getting one.

I checked Araga's license through GCIC and it confirmed he did not have a motorcycle license or permit. I placed Araga under arrest for Driving Without a License (40-5-20), and Operating a Motorcycle Without Required Headlights (40-6-312(e)) by placing his hands behind his back into double locked handcuffs. I searched Araga incident to arrest and did not locate any contraband. Araga was placed in the rear seat of my patrol car and buckled in.

Araga called a friend [REDACTED] to pick up the motorcycle from the scene. [REDACTED] arrived on scene and removed the motorcycle.

I transported Araga to the Clarke County Jail where he was issued two traffic citations for Driving Without a License (40-5-20, #038009), and Operating a Motorcycle Without Required Headlights (40-6-312(e), #038010). He was released to jail personnel.

The rear seat of patrol vehicle #95135 was searched prior to and after transporting Araga and no contraband was found.

The traffic stop and arrest were recorded by the MVR in vehicle #95135.
