Notes/Narratives

NARRATIVE

On November 26, 2012 at 21:51 hours Ofc. Truax (#875) and I were dispatched to University of Georgia Family Housing at 110 Rogers Road, Athens GA, building "M" regarding a University of Georgia Housing Security Officer out with several subjects in the third floor mechanical room that were refusing to identify themselves and trespassing on the property of University of Georgia. Upon arrival we met with the UGA Security Officer, J. Aaron, on the third floor mechanical room. Inside the room were five (5) young white college aged males.

J. Aaron advised he was making his patrol rounds and noticed the mechanical room door open. He went to check out the room and observed one of the males, later identified as Eduardo De La Torres Beron, exiting a back storage room inside of the mechanical room. J. Aaron observed others inside the room and ordered them out of the storage room and into the main mechanical room. As the other four males exited the storage room, Eduardo climbed onto the roof of the building via the roof hatch. J. Aaron ordered Eduardo back down from the roof and Eduardo complied. When J. Aaron attempted to identify the subjects, the 5 males refused to identify themselves to Security Officer Aaron. Security Officer Aaron then called the Police for assistance.

The subjects were identified as Eduardo De La Torre Beron, Andrew Brinkman, Caleb Hayes, Dylan Diener and Christopher Beck. All 5 are University of Georgia students but none of the subjects lived in Family Housing Property on Rogers Road. Beck, Brinkman, Hayes and Diener advised they came to Family Housing to pick up De La Torres Beron who had walked to Family Housing from the Intramural Fields. None could provide a legitimate reason for being inside the Mechanical room or the back storage room. Per Security Officer J. Aaron, none of the five subjects had authorization to be in the mechanical room or inner storage room. J. Aaron further advised that the room is normally locked but there was no evidence that the room had been entered forcefully indicating the mechanical room had been left unsecured.

I examined the back storage room and noted a black metal flashlight/ laser light hanging from the ceiling with a laser light turned on. The light was claimed by Hayes as his property that he had hung up in the room. Also in the room, I located a green colored ceramic smoking pipe with marijuana residue in the bowl that had been concealed in a corner of the storage room and a transparent orange pill bottle with a white twist lid containing green leafy material I recognized as being marijuana that was laying on the ground in an opposite corner of the room. There was a table in the middle of the room and sitting apparatus established surrounding the table. The laser flashlight was aimed at the middle of the table. Based upon prior contacts with E. De La Torres Beron, all five subjects not authorized to be in the mechanical room or inner storage room, the way the inner storage room had been set up with the table and seating areas, the laser flashlight aimed at the table and the recovery of the suspect marijuana and smoking device in the room, it appeared that the 5 subjects were preparing to smoke marijuana in the room before being interrupted by the security officer.

Notes/Narratives

All five subjects were then placed under arrest for Loitering and Prowling in violation of OCGA 16-11-36. All five were handcuffed, double locked, behind their backs. All five were searched incident to arrest and no additional contraband was located or seized from their persons.

During search of Eduardo De La Torres Beron's green "Timberland" backpack incident to arrest, I immediately detected an odor of marijuana when I unzipped the main compartment. I withdrew a green knit sweater and a tan ceramic smoking device fell out of the sweater and onto the floor that contained marijuana residue in the bowl. Under the sweater was a black nylon "Star Wars" lunchbox. In the lower zipper compartment of the lunchbox was a clear plastic container with a white lid that contained green leafy material which I immediate recognized as marijuana. Further inspection of the lunchbox revealed two more smoking devices that had been wrapped in stocking caps: one was a clear glass device with residue and the second was another green and brown ceramic smoking device. All of the smoking devices and suspect marijuana from E. De La Torre Beron's backpack were seized as evidence of VGCSA misdemeanor Possession of Marijuana.

The green and brown smoking device and orange container of suspect marijuana were secured from the inner storage room, to be placed into evidence pending further investigation.

Additional transport officers were summoned to the scene to assist. Ofc. Hickey (#894) responded and transported A. Brinkman and E. De La Torre Beron, Morning Watch Ofc. Davis (#881) responded to transport C. Hayes and C. Beck while Ofc. Truax and I transported D. Diener to the Clarke County Jail to post bond.

All evidence was secured in evidence locker #20 at University of Georgia Police Department pending prosecution.

The MVR of vehicle 94859 was not activated at the time of this incident due to officer oversight.

Digital photos of the collected property were obtained at UGA Police Department prior to items being secured into evidence.
