Notes/Narratives**NARRATIVE**

On Saturday, August 17, 2013 I was dispatched to [REDACTED] University Apartments to meet with [REDACTED] in reference to a welfare check on [REDACTED] [REDACTED] that lived in Apartment 220. Upon arrival [REDACTED] was standing outside. He said that he was knocking on the front door and windows of [REDACTED] apartment but he was not getting any response. He said that it was not like [REDACTED] to not answer since his vehicle was in the parking lot. He said that [REDACTED] had [REDACTED] at the age of 10 and he also had [REDACTED] when he was 10 years old.

[REDACTED] said that he goes to the doctor for a checkup every year. He said that he only took medications for [REDACTED]. He also said that he took [REDACTED]. He said that [REDACTED] usually checks in with him every day or every other day. He said that the last contact he had with [REDACTED] was Wednesday around 1402 hours. He said that he had been calling and emailing [REDACTED] every day since then but [REDACTED] has not been responding. He said that is when he decided to physically check on him but he could not get him to come to the door.

I asked Central to call the on call maintenance and property management. I also had central contact the courtesy officer. Central also advised that they contacted AT&T cell phone service to try to get a location of [REDACTED] phone to see if he was inside the apartment. After several attempts [REDACTED] the Community Assistant came outside her apartment with a key to [REDACTED] apartment. I got the key from her and opened the apartment.

I immediately smelled a very strong odor as soon as the door opened. I walked around the corner and noticed [REDACTED] lying on his back on the floor halfway under the bed. [REDACTED] had a shirt on but did not have any clothes on below the waist. [REDACTED] also had a white in color belt tied around his neck. [REDACTED] arms were purple and also purple around the head and neck area. I immediately called EMS to the scene. EMS arrived and advised that [REDACTED] was deceased. I then notified my supervisor LT. Morris. He then notified the Coroner, Forensics and CID.

The Coroner arrived on scene and pronounced [REDACTED] deceased. Forensics also arrived on scene and took pictures and they will be attached to the report. The body was turned over to Bernstein Funeral Home services once they arrived on scene. I then went back into service with this report.
