Notes/Narratives**NARRATIVE**

On 1/29/13 at 1041 hours I met with the victim on the sixth floor at the Boyd Graduate Studies building in reference to harassing phone calls. These calls are believed to be associated with case #12-1509. Melissa Lynch spoke with the caller two times. She stated that he was asking questions about the victim, and was very persistent about wanting to know the physical address of the office they work in. When the caller called a third time Lynch transferred the phone call to the victim's desk phone. Before the victim could answer the phone, Christopher King (her boss) answered the phone. King stated that the caller identified himself as "Jeremiah Johnson" and he requested the address again. King asked what business the man had with their office, and the caller stated it was personal. King told the caller that they do not conduct personal business at their office and instructed the caller not to call back again. Witness Statements were taken from Lynch and King per the request of Sgt. Parrish. While Cpl. Robinson and I were in the office, the man called back again. Cpl. Robinson spoke with the individual at the request of office staff, identified himself to the individual, and instructed him not to call back again.

MVR was activated during the time we met with the victim and witnesses and was recorded on vehicle 94827's MVR.
