

Advance Care Planning Information Meeting

on ZOOM

every Wednesday at 10 am

FREE HELP to create a written health care plan (Advance Directive) Anyone over 18 years old should have one .

It's how people care for one another.

Do you have questions? We have answers!

- Where do I find the forms?
- Who should be named as my healthcare agent?
- Who do I give the completed form to?
- How do I talk with my family about my healthcare wishes if I am unable to speak for myself?
