**GOOD TO KNOW**

**THROUGHOUT SEPTEMBER**, Chesterfield County Prevention Services will be observing Suicide Awareness and Prevention Month with the launch of its “Resilient Chesterfield” initiative.

The “Resilient Chesterfield” initiative is taking a more personable approach to addressing suicide awareness and prevention in the county with a variety of resources for people seeking help for themselves and others.

View personal videos of resilience and other resources to combat suicide at **[www.chestfield.gov/preventsuicide](http://www.chestfield.gov/preventsuicide)**.
