

**Roundabout Construction at
N Courthouse Road and Kentland Trail
New Kent County
Citizen Information Meeting**

Come see information about proposed improvements at the Route 155 (N Courthouse Road) and Kentland Trail where VDOT, in partnership with New Kent County, are proposing to convert the existing temporary roundabout into a permanent roundabout designed to improve safety, traffic flow, and long-term durability. The new design will feature curb and gutter, a raised concrete central island, and splitter islands at each approach to help slow vehicles and guide traffic. Roundabouts are proven to reduce severe crashes compared to traditional intersections by lowering speeds and eliminating conflict points, making this project an investment in safety and reliability for the New Kent community.

The meeting will be held in an open house format from 5 p.m. to 7 p.m. This format will provide the flexibility to allow participants to meet and discuss the proposed project directly with project staff members.

Give your oral or written comments at the hearing or submit them by **November 29, 2025**, to Danny Delong, P.E., project manager, Virginia Department of Transportation, 2430 Pine Forest Drive, South Chesterfield, VA 23834 or Danny.Delong@VDOT.Virginia.gov. Please reference “UPC 125312 Route 155 Roundabout Public Hearing Comments” in the subject line.
