

**Intersection Improvements at
US 360 and Courthouse Road in
Chesterfield County
Citizen Information Meeting**

Thursday, February 12, 2026, 5:30 – 7 p.m.
North Courthouse Road Library-Chesterfield Public Library
325 Courthouse Rd, North Chesterfield, VA, 23236

Come see traffic study results that identify two potential approaches to modify the intersection of US 360 and Courthouse Road. The project will enhance safety and pedestrian access through a modified median U-turn intersection. This type of innovative intersection design replaces direct left turns with indirect U-turn movements. This design allows vehicles to proceed through the main intersection, make a U-turn at a median opening, and then turn right at the intersection. More information about the project is available online at <https://bit.ly/4qdNCwd>.

The meeting will be held in an open house format from 5:30-7 p.m. This format will provide the flexibility to allow participants to meet and discuss the proposed project directly with project staff members.

Give your oral or written comments at the hearing or submit them by **February 22, 2026**, to Will Wheeler, project manager, Virginia Department of Transportation, 2430 Pine Forest Drive, South Chesterfield, VA 23834 or william.wheeler@VDOT.Virginia.gov. Please reference "UPC 121394 US 360/Courthouse Rd Comment" in the subject line.
