Find out about a proposed plan to improve safety at the Route 33 (Lewis B. Puller Memorial Highway) and Route 14 (Buena Vista Road) intersection in King and Queen County.

The proposed project will offset and extend the right turn lane on Route 33 eastbound to increase capacity and provide better sight distance for travelers. The proposed project will also add an intersection conflict warning system (ICWS), which includes signs and flashing amber lights, to alert drivers on Route 33 of vehicles entering the intersection from Route 14.
